The influence of many good people is undoubtedly much diminished by their want of that courtesy which has been called benevolence in small things.

Gents.—I sprained my leg so badly that I had to be driven home in a carriage. I immediately applied Minard's Liniment freely and in 48 hours could use my leg again as well as ever.

The sublimity of wisdom is to do those things living which are to be desired when dying.

Andrew King, Proprietor Metropolitan stables, Halifax, writes that he was confined to the house for several weeks with rheumatic gout, could not touch his foot to the floor; after trying all other remedies applied Minard's Liniment and it cured him in a few days. He says he believes it is the best Liniment in the world for man or beast.

SOLID GOLD WATCHES FREE. LADIES' AND GENTS' SIZES.

Our AMERICAN HOME JOURNAL is a beautifully printed and interestingly read matter of a high order, consisting of short stories, poems, articles on fancy work, fashion notes, domestic economy, social science, general news, etc., etc. Every home is delighted with this charming paper. The publisher wishes to add fifty thousand new subscribers to its present subscription list, and in order to introduce it into fifty thousand homes where it is not already known, the publisher will give away, absolutely free, thousands of genuine Solid Gold Stem-Winding and Stem-Setting Watches (in order to get new subscribers and agents) to thousands of persons, as stated in our advertisement in our paper. These watches come in ladies' and gents' sizes; we warrant every watch to be solid gold and to contain a fine American movement. Fully jeweled, Patent Lever. We give a ten-year guarantee with every watch. This is one of the grandest offers ever made by a publisher. How can we do this? The question thousands who read our advertisement will ask. We answer, Easily enough. And in order to make everything perfectly plain to you, we offer the following bona fide explanation: All papers of a national reputation spend thousands of dollars in advertising, to make known their publication and increase their advertising patronage. Of course no paper can make money, or even exist, without advertising; consequently, by giving away, absolutely free, thousands of Solid Gold American Watches, we expect to get the largest circulation of any large circular in the country. Our point is, after we get a certain number of subscribers, we can easily command from \$8 to \$20 per inch for space in our paper from advertisers. There are thousands of dollars in advertising, to say nothing about subscriptions; then, it will only be a question of time, with careful and thorough management, square, honest and truthful statements to our subscribers, that we will be friends with every person in the land; then again we know that our Solid Gold American Watches and our paper will give such perfect satisfaction that we will get as many as fifty to a hundred new subscribers in every town where our paper goes, and as there is something like 55,000 towns in America, you can plainly see what an immense circulation we are sure to build up. Remember, we are after a large circular in the country; we must have it, even though it cost us many thousands of dollars, otherwise our enterprise would be a dead failure. We consider our paper one of the liveliest, spiciest, neatest, cleanest and best family papers of the kind in America; you will say so when you have seen it. It is a complete family paper in every way. We are determined to push the circulation of our AMERICAN HOME JOURNAL until it reaches the top of the ladder. In addition to the above we have offered and given many other valuable premiums to subscribers and we now add still another grand offer to those who desire to receive this gem of Household papers and consider the opportunity of obtaining a Solid Gold Watch absolutely free.
