GRIP

With these remarks, gentlemen, I beg leave to move, seconded by the Vice-President, that the report now read be received and adopted.

In seconding the adoption of the report the Vice-President, Mr. W. H. Beatty, referred to the change that had taken place at the Head Office, Mr. Coulson being made General Manager of the Bank, and Mr. Wadsworth, formerly Manager at London, Ont., being placed in charge of the business of the Toronto Branch. The change had become necessary owing to the increase of the business of the Bank, which, during the past ten years since the time when Mr. Gooderham became President and he Vice-President, had more than doubled. He concluded with a very feeling reference to the present severe illness of Mr. Boulton, an esteemed Director of the Bank.

The report was adopted and the thanks of the Stockholders were tendered to the President, Vice-President, and Directors for their care and attention to the interests of the Bank during the past year.

The following named gentlemen were elected Directors for the year:

GEO. GOODERHAM, ALEX. T. FULTON, WM. H. BEATTY, HENRY COVERT, HENRY CAWTHRA, WM. GEO. GOODERHAM, ROBERT REFORD.

The new Board met the same afternoon, when Geo. Gooderham, Esq., was unanimously re-elected President, and Wm. H. Beatty, Esq., Vice-President.

GRIP PRINTING AND PUBLISHING CO.

Excelsior Webster Pocket Dictionary

Gives the orthography and definition of about 25,000 words, among which are many words not usually found in a dictionary of this size. It can be most conveniently referred to and fits the Pocket, being especially prepared for that purpose. The dictionary is not a reprint but has been carefully prepared by competent hands to meet the general want for a book of this kind, and for the space it occupies has no superior in the publishing world. Containing 320 pages, double column.

Size 5 x 3 1/2 inches. Bound in extra cloth.

Price, - 25 cts. Indexed, - 35 cts.

THIRD EDITION!

Indispensable to every live Teacher.

Practical Problems

IN

ARITHMETIC.

For First, Second and Third Classes.

By **JAMES WHITE**, Public School Teacher

EDMONTON, ONT.

This book has been prepared specially to suit the convenience of Public School Teachers. It contains about 700 Practical Problems suitable for First, Second and Third Classes in Public Schools. It is very carefully graded, and each principle required to be taught is introduced in logical order. It receives the hearty approval of Teachers and Inspectors.

Read their Opinions.

From **ALLAN EMBURY, Esq.**, Inspector, Peel.

I have examined this little book of Arithmetic Problems, and can give it an unqualified endorsement. The questions are carefully graded, and are specially suited to the wants of our over-worked teachers who have not always the time to devote to the preparation of exercises upon the various subjects of the school curriculum. The questions are not stated in the form of propositions; but their statement is incidental, leaving the inner connection of the problems to be discovered by the pupil himself; and in this important feature lies their special adaptability as an educational force. I heartily recommend this book to all teachers wishing to economize time and labor in their preparation for ordinary school work.

From **E. TROUGHT, Esq.**, Teacher, Member County Board of Examiners, Inglewood.

I have examined with some care Practical Problems in Arithmetic for First, Second and Third Classes, by Mr. White, Edmonton. Without the slightest hesitation I say that they are the best I have ever seen—the best in selection, the best in grading, and above all, the best for developing the reasoning powers of the child, and for exercising his ingenuity. A special feature of the grading is that principles which have been introduced are being constantly made use of in the succeeding problems which are in their turn introducing new principles, so that the whole work may be said to be one unconscious review. It is a great boon to Teachers.

Price, Bound in Cloth, 25 cts.
