Mercantile Summary.

THE customs receipts of Halifax for the month of November were \$69,900 against \$99,503 for the same month last year.

A YARMOUTH ship, the Francis Bourneff, from Chatham, N.B. for Liverpool, with deals, was passed by the steamer Rotterdam on 16th November water-logged and abandoned. She was insured with her freight in some of the Yarmouth Marine offices for \$14,000, which was not near her value.

THE Canada Steel Company of Londonderry, N.S., are pushing their connexions with their several mines, and are constructing tramways from their furnaces to the mouths of the pits. Some two and one-half miles of road have been built, and the contractors have taken one and one-quarter miles in addition, which will be completed by New Year's Day.

HADDOK was found guilty of fraud and forgery in St. Johns on Friday last. He pleaded guilty to the charge of forgery at the St. Stephens branch of the Bank of British North America, and now lies in gaol awaiting his sentence. Cumberland is to have a new trial shortly for forgery.

THE burglars Andrew Smith and Frederick Rignault alias Chiquette have been committed for trial for breaking into the store of Messrs. Lockhart & Haldane of this city on Sunday last and attempting to carry off \$8,000 worth of silks and laces. The police deserve credit for the prompt arrest of these daring characters whose examination has shown a record of crime seldom met with in this country.
