

PARLIAMENTARY REPRESENTATION.

The Trades Unionists of the Old World are evidently determined to allow no opportunity pass that can be made a means of furthering the purposes they have in view.

That this Council is pleased to learn that the Liberal Working Men's Association have resolved, under certain conditions, to support, at least, one of the Labor candidates about to be brought forward by the trades in connection with the Council, subject to the approval of the whole of the trade societies in Liverpool, but regret that such intention was not embodied in a resolution.

NUMBER ONE.

In the year 1723 there lived in Pesh, the capital of Hungary, Karol Kowates, a shoemaker whose ingenuity in cutting and carving on wood, &c., brought him into contact with Count Andrassy, ancestor to the present Prime Minister of Austria, with whom he became a favorite.
