Verify compliance with this Act with regard to irregular forces and the non-use of their own territory in destabilizing actions against another State, and consider any report in that connection.

To that purpose, the following criteria should be taken into account:

- (1) Installations, means, bases, camps or logistic and operational support facilities for irregular forces, including command centres, radiocommunications centres and radio transmitters.
- (2) Determination of propaganda activities or political, material, economic or military support for actions directed against any State of the region.
- (3) Identification of persons, groups and governmental sectors involved in such actions.
