

(6) the cost of transportation, including travel allowance where applicable, of Canadian personnel travelling on official project business within Bangladesh.

(C) Expenditures related to certain projects:

(1) the cost of engineers, agriculturalists, architects and other services required for the execution of projects;

(2) the cost of providing equipment, materials, supplies and other goods and of the transportation of same to the port of entry in Bangladesh;

(3) the cost of inspection in Canada, freight and other shipping charges of all equipment, products, materials, supplies, goods, spare parts, accessories and consumables provided by the Government of Canada.

II. Contracts for the purchase of goods or commissioning of services financed by the Government of Canada and required for the execution of individual projects shall be signed by the Government of Canada or one of its agencies. However, it may be provided in any subsidiary arrangements entered into pursuant to the present Agreement that such contracts may be signed by the Government of Bangladesh or one of its agencies in accord with the terms and conditions specified in said subsidiary arrangements.

III. The Government of Canada shall submit to the Government of Bangladesh, for approval, the nomination of Canadian firms and Canadian personnel for assignment of ninety (90) days or more in Bangladesh.

IV. The Government of Canada shall provide the Government of Bangladesh in a timely manner with the names of the Canadian personnel and their dependants entitled to the rights and privileges set forth in this Agreement or in any subsidiary arrangement or loan agreement.
