

# NEW WINGS OF PARADISE

Air Lanka salutes ICAO on its historic 50th anniversary of safely uniting the skies.

We are glad that as ICAO celebrates a half-century of achievement, Air Lanka has made history as the first international airline of Asia to strengthen and enhance its fleet with the Airbus A340.

Air Lanka's Airbus A340, the new wings of paradise, dedicated to create new levels of efficiency in the skies.
