LES FEUX-FOLLETS TO TOUR EUROPE

The Department of External Affairs announced today that the Feux-Follets, a dance company from Montreal, will make a six week tour this fall in France, Belgium, Switzerland and Luxembourg under the Canadian programme of cultural exchanges with French-speaking countries. The Feux-Follets will receive a grant from the Canadian Government to help carry out the tour during which they will give 29 performances in the following cities: Paris, Tours, Lyon, Bordeaux, Marseille, Montpellier, Grenoble, Nice, Brussels, Liège, Antwerp, Luxembourg and Geneva.

The programme of the Feux-Follets was largely created for this particular tour, and will allow the European public to see the dances of several regions of Canada.
