

part, communities which fall under the Northern Broadcasting Plan. This latter plan, which includes provision for community access, is under consideration by the government. (b) Approximately 50 requests for assistance have so far been received from communities across the country wishing such service.

4. Same answer as 3(b) since the same 50 communities remain interested in such a service if the policy is implemented.

5. We have received a request from Sioux Lookout, and negotiations are under way for a possible experiment in that community.

6. No general implementation of the policy is possible until the Northern Broadcasting Plan is approved.

11, 1973 and September 16, 1974 have not yet been tabulated. A sampling has been taken however which indicates that 93.8 per cent were born in Chile. (b) between September 11, 1973 and October 31, 1974, landed immigrant status was granted to 1,510 persons whose country of last permanent residence was recorded as Chile. This figure includes both special program immigrants and those who came forward under the normal immigrant movement from that country. A further 397 persons from Chile are in Canada on special permits and are at various stages of the landing process.

**Question No. 808—Mr. Stevens:**

1. As of March 31 in each year 1968, 1970, 1972 and 1974 (a) how many were employed by the Export Development Corporation (b) what would have been their aggregate salaries if all were employed for a full year (c) how many had salary levels of (i) \$20,000 or more (ii) \$35,000 or more (iii) \$50,000 or more?

2. What was the salary or the salary range for each of the five highest paid employees of the Corporation?

**Mr. Gaston Clermont (Parliamentary Secretary to Minister of Industry, Trade and Commerce):** Export Development Corporation states: 1. As of March 31 in each of the years 1968, 1970, 1972 and 1974:

(b) Aggregate salaries (including Board members) \$2,707,076 \$3,227,068 \$4,687,433 \$5,352,569

(c) Salary information with regard to individual Board employees is regarded as confidential. Although the Canadian Wheat Board is operating under a federal statute, the salaries paid to its employees do not constitute an expense to the Government. Board employees are not covered by the Public Service Employment Act nor classified as public servants.

\*The Canadian Wheat Board operates on a crop year basis, August 1 to July 31. Its employment records are also maintained on this basis.

2. See 1(c) above.
