

REPORT.

IN presenting the Annual Report of the CANADA EAST AUXILIARY WESLEYAN MISSIONARY SOCIETY for 1848, the Committee beg to remark that while the general distress and commercial embarrassments of the year which is past, awakened in their minds the most lively concern respecting the annual income, necessary to sustain in an efficient manner the operations of the PARENT SOCIETY, now so extensive and important—the announcement of the Income and Expenditure for the year 1847, very lately received, has excited in their minds the most devout feelings of grateful thanksgiving, that so much has been done to sustain operations with which the spiritual condition of so many of their fellow creatures is so largely identified. Although the aggregate amount is smaller than that of the year preceding, yet there is a powerful proof elicited from the returns, of the deep interest felt by the Wesleyan Church throughout the world, in upholding this mighty enterprise—of the increasing desire to manifest its profession of attachment to the Redeemer's Kingdom, in extending its borders to “the utmost verge of the green earth.”

The following is the Report (Financial,) for the year 1847, 31st December:—
