## HIT BY MOTORCYCLE SERIOUSLY INJURED

Mrs. Woods Run Down on St. Clair Ave. Yesterday Morning.

## NEWS OF EARLSCOURT

### Business Men Organizing Company to Build Public Hall.

About 7 o'clock yesterday morning whilst crossing St. Clair avenue, near Ossington avenue, to board a civic car, Mrs. Wood, 1114 Ossington avenue, was knocked down by a motorcycle driven by William Spenceley, 77 Harvie avenue. She was dragged eleven feet, and had one leg broken above the knee, the other badly bruised, her right arm lacerated and other injuries. Dr. Hughes, Bathurst street, was summoned, and after rendering first aid the assistance possible ordered her removal to Grace Hospital, where she was conveyed in Spenceley's motor ambulance.

It was reported at the hospital last night that the patient was doing as well as could be expected, but that it will be two months at least before Mrs. Wood will be able to leave. Mrs. Wood is 50 years of age, and resides with her husband and two daughters at 1114 Ossington avenue. The police are investigating the case.

Pian Public Hall. Business and professional men in the Earls Court district contemplate the erection of a public hall in the near future on a site to be selected within a block of St. Clair avenue. A company will be formed and shares offered for sale to the public. It is felt that a building of this kind is an urgent necessity in Earls Court, as a hall is needed for entertainments and other meetings of general interest. The building proposed will contain a large auditorium for concerts and meetings, with a skating rink, bowling alley, etc., and a number of rooms which could be rented to lodges and other societies. Hugu J. MacDonald, barrister, is reported to be one of those promoting the scheme.

Purity and Temperance. Controller J. Simpson, M. Weyman, and Rev. W. E. S. James, will address an open-air meeting on Sunday evening next at the corner of St. Clair avenue and Dufferin street. Their subjects will be "Socialism," "Purity" and "Temperance."

North Earls Court Methodist Church will celebrate their Sunday School anniversary tomorrow. Rev. Mr. Meacher will address the children in the afternoon, and Cyril Dyson, the architect, in the evening.

The joint Sons of England and B.I.A. Picnic to Queenston Heights will take place today. Over \$100 worth of prizes have been donated, and a long program of sports has been arranged.

It is expected that the work of excavation for the new branch of the Canadian Bank of Commerce, on their site, south side of St. Clair avenue, corner of Vaughan road, will start early next week.

## STONECUTTERS STRIKE FOR RAISE IN WAGES

Men at Work on Newmarket Post-office Want Sixty Cents an Hour.

Stonecutters employed on the new postoffice at Newmarket came out on strike yesterday because their employer, C. H. Secord of Brantford, had not complied with their demand for a four cent increase in wages. They were getting 56 cents per hour and now want 60 cents. A conference will likely be held today between the strike leaders and Mr. Secord's representative at Newmarket, when a settlement may be made.

The boiler in the town electric light station, which was in danger of exploding owing to defective pipes, has now been repaired and the plant is once more in working order.

## KEW BEACH

Rapid progress has been made this week excavating the site for the new Kew Beach Methodist Church, at the corner of East Queen street and Bellefair avenue. Rush orders have been given the contractors so that the basement may be ready for use early in the fall. Rev. Dr. German, the pastor, has just left for a month's vacation in Great Britain.

## FREIGHT WAS WRECKED.

A broken bridge was responsible for the derailment late Thursday afternoon of an eastbound C.P.R. freight train near Streetsville, according to statements of railway officials yesterday. The train was travelling at the rate of 30 miles an hour and six cars left the rails. No one was injured.

An exquisite afternoon frock was of white tulle over white satin with a tulle of fine lace veiled by the tulle. Toward the hem of the skirt was a bevy of tiny trills of tulle. Designed to be worn with this skirt was a delicious corset of orange taffetas of a quite novel shape.

## OPENING MEETING RADIAL CAMPAIGN

Sir Adam Beck to Speak at Agincourt on August Fifth.

The opening meeting of the campaign to carry hydro radial bylaws in the municipalities along the route of the Toronto-Port Perry and Newmarket Hydro Radial, will take place in the Heather Hall, Agincourt, on Wednesday evening, August 5. Among those who will deliver addresses in favor of the project are Sir Adam Beck, W. F. Maclean, M.P., J. W. Lyon of Guelph, president of the Provincial Radial Union; Controller McCarthy, Toronto, chairman of the joint municipal committee; George S. Henry, M.L.A., and A. D. Bruce of Gormley. At this meeting the final revised estimates for the railway will be announced, and a series of meetings throughout the whole district will continue until September 21, when voting takes place.

## CONFERENCE PROVES ABORTIVE

### PREMIER ASQUITH ANNOUNCES

Parties to Meeting Unable to Agree to Area to Be Excluded. Commons is Told—Second Reading of Amending Bill Set for Tuesday Next.

Canadian Press Despatch.

LONDON, July 24.—The fact that the conference at Buckingham Palace between the leaders of the various political parties had been rendered abortive by its failure to agree on the area of Ulster to be excluded from the control of the Dublin Parliament was confirmed by Premier Asquith in the house of commons today.

The premier's statement on the subject of today's meeting of the conference was very brief. He said: "The possibility of finding an area to be excluded from the operation of the Irish Home Rule Bill was considered, but the conference, unable to agree in principle or in detail on such an area, brought its meeting to a close."

Premier Asquith merely added: "That is the report made, Mr. Speaker, by the chairman of the conference to the King."

Second Reading July 25. Mr. Asquith then announced that the second reading of the bill to amend the Irish Home Rule Bill would be taken on July 25.

The premier was invited to inform the house as to the exact differences of opinion which had prevented the attainment of a settlement by the conference, and in reply said: "I can make no statement on the subject at the present moment."

The house of commons then adjourned.

Meetings Did Good. Except among the extreme Radical and Labor members, who are opposed to a conference of any kind, and think the matter should have been settled out on the floor of the house of commons, it is felt in parliamentary circles that the meetings of the political leaders in Buckingham Palace have done much good. It was pointed out that they had shown how far the opposing Irish parties were prepared to go and that this would assist the government in re-framing its bill.

## HYDRO-ELECTRIC TO SHOW AT KINGSTON EXHIBITION

Sir Adam Beck Requests Space for Display of Electrical Goods.

Special to The Toronto World.

KINGSTON, July 24.—R. J. Bushell, manager of Kingston's fair, has received word from Sir Adam Beck, chairman of the hydro electric commission, to the effect that he will require a space of forty feet square for the electric display at the township fair which is to be held September 30 and October 1. Sir Adam is sending one of his best men to Kingston to look after the display.

## BATHERS, PICNIC AND REGATTA SCENES AT ISLAND PARK.

ISLAND PARK, July 25.—(Special.)—As a mecca from the heat, turmoil and noise there is no place on the continent that will equal Toronto's own Island Park as a rest spot during the present hot spell. It is the resort of thousands of citizens and visitors. In this week's art section of The Sunday World are pictured in half tone many groups of happy bathers, picnic and regatta scenes. Perhaps among some of the smiling faces that will look at you from these pages will be found some of your friends. Necessarily the Sunday World edition is limited. If you would be one of those who will possess a copy it may be advisable to order it now from your newsdealer or newsboy. Only five cents for the big six section edition.

## A ROCHESTER TRIP.

A big crowd is expected to make the trip to Rochester Saturday night at 11:30 p.m. per Steamer Turbina from Yonge street wharf, with the "All Stars." Arrangements have been made for a big time at Rochester and Charlotte. The management at Ontario Beach, Charlotte, has made special preparations to entertain the visitors.

The long transparent sleeve is greatly in vogue and is largely responsible for the revival of a sleeveless coat. Some beautiful brocade jackets are being shown in conjunction with chiffon gowns, the latter chiefly white, beaded, ivory and that curious delicate veridigia. The skirts are quite short.

The fashionable Paris fan is of white peacock feathers, mounted on tortoise shells.

## RUNAWAYS CRASHED INTO TOURING CAR

Horses Scared Near Keele St. Subway—Driver's Narrow Escape.

A team of horses, owned by the Ontario Sewer Pipe Company, and driven by Charles Gilman of Macdonald avenue, Humber Bay, became frightened at a passing Weston car about noon yesterday near the Keele street subway, and crashed across the street. The heavy wagon crashed into a large touring car, driven by G. C. Shaw of 188 Blythcote avenue, which was coming in the opposite direction and Gilman was thrown from his seat. Fortunately he escaped uninjured, but the automobile was badly damaged, the front end being almost demolished. The driver of the car also escaped uninjured.

Band Concert. The Band of the Canadian Army Service Corps gave a concert last night in Carlton Park on Franklin avenue. The next concert for west end residents is in Baird Park, Keele street, on Tuesday evening next, when the Band of the Grenadiers will provide the program.

Bill to amend the Irish Home Rule Bill. Sir Edward Carson and his followers during the conference had, it was understood, abandoned their demand for the exclusion of six counties. The nationalists on the other hand agreed to leave the four northeastern counties of Ulster out of the control of Dublin, and to allow the Counties of Tyrone and Fermanagh to take a vote on the question whether they should be included or not. Neither party would consent to go a step further.

Suggestion Flouted. The suggestion of the Right Hon. James Lowther, chairman of the conference, that Tyrone and Fermanagh should remain out temporarily, proved acceptable to neither party.

A leading Liberal said today: "There is no reason to assume that the last word has been said. The government probably will proceed to embody in the amending bill the results achieved at the conference as far as they go, and these, added to their own concessions, can then be thrashed out in parliament."

Session Was Brief. The Buckingham Palace conference met again today and held the shortest session of the season. The meeting was called for 11 o'clock. The chairman, the Right Hon. James Lowther, Premier Asquith and Charles of Exchequer David Lloyd George, representing the Liberals; Andrew Bonar Law and the Marquis of Lansdowne of the regular Conservative opposition; Sir Edward Carson and Captain James Craig, Ulster Unionists, and John Dillon, Irish Nationalist, arrived at the palace at that hour, but the business of the session did not begin until half-past eleven, as John Redmond, through a misunderstanding, was half an hour late.

Discussion of the Ulster situation lasted only forty minutes, and the members then left the palace.

## LEADING MAN TREATED HIS JUVENILE FRIENDS

E. H. Robins of Bonstelle Players Entertains Parkdale Baseball Clubs.

Mr. Edward Robins, the popular leading man of the Bonstelle Players at the Alexandra Theatre, never received a more enthusiastic welcome than at yesterday's matinee. At his invitation four of the boxes were occupied by the members of the Springhurst and Spencer street baseball clubs, accompanied by their sweethearts and sisters. None of the members of these two well-known baseball clubs are as yet married, the oldest being ten years of age. The large audience divided its attention between watching the performance and the four boxes.

## DRINK

Drinking men and women who crave liquor are neither wild nor sick, but are poisoned by alcohol and need relief from the craving for stimulant. They should not be censured or forsaken, but they should be encouraged to get rid of the craving. The Neal Treatment never divides patients into strictly confirmed and incurable cases. It is a scientific and humane method of square dealing with patients, combined with the enormous success of the treatment, that has made possible the great chain of over sixty institutes in Canada and the United States. Patients' names are never divulged and correspondence and consultations are strictly confidential. Treatment is administered at the Institute in from four to seven days, but arrangements can be made for home treatment if patient so desires. Drug habits also treated.

## STERN MEASURES AGAINST RIOTERS

Regiments of Cavalry and Cuirassiers Hurried to St. Petersburg.

Canadian Press Despatch.

ST. PETERSBURG, July 24.—Stern measures were taken by the authorities today to suppress the strike riots which have been in progress for several days in the streets of the capital, during which a large number of casualties have occurred in the conflicts between the police and Cosaks, on one side and the striking workmen on the other.

Considerable leniency was shown here during the presence of Raymond Poincare, president of the French Republic, but immediately after his departure for Stockholm last night, four regiments of cavalry of the guard and two regiments of cuirassiers, under the command of General Kasanof, arrived from Krasnoyarsk to assist in suppressing the disorder. They brought with them a number of quick-firing machine guns.

A squadron of the newly arrived cavalry at once came into contact with the strikers, charging and dispersing a crowd of them.

The authorities estimate the number of strikers at 135,000, but it is believed the total is greater.

The street car service which has been interrupted forty-eight hours was restored today. This fact incensed the strikers, who hurled volleys of stones at the cars and their drivers as they proceeded thru the streets. Several demonstrations were attempted, but the manifestants were quickly dispersed by Cosaks.

In the meanwhile the police fired a few shots at the windows of private houses, from which stones had been thrown down at them.

One significant feature of the strike is that the movement has been joined by many government employees.

Settlers' Excursion to Points on T. and N. O. Ry., Halleybury and North, July 30.

The Grand Trunk Railway will sell round trip second-class tickets at reduced fares from all stations in Canada to points on Timiskaming and Northern Ontario Railway, Halleybury and north, good going Thursday, July 30, and valid for return until Sunday, Aug. 9, 1914.

Trunk tickets leave Toronto 2:05 a.m. and 8:30 p.m. daily, running through to Cochrane without change. This is an excellent opportunity to visit northern Ontario and spend a few days in that picturesque country and select a home-stead.

Full particulars and tickets at Grand Trunk ticket office, Toronto city office, northwest corner King and Yonge streets, phone Main 4209.

## DEAN GALBRAITH'S FUNERAL IS TODAY

Many Canadian and American Universities Are to Be Represented at Service.

Representatives of all the colleges in Canada and the United States close enough to Toronto to allow of their reaching here in time, will be present at the funeral of the late Doctor Galbraith, Dean of the Faculty of Applied Sciences of Toronto University, which will be held from the Church of the Redeemer, Bloor and Avenue road, at 2:30 this afternoon.

There is little doubt but that this will be one of the largest funerals in the history of Toronto. The great number of friends and admirers, both in and out of academic circles, that the late dean made during the years in which he was attached to the staff of the university, many of whom have traveled long distances to be present, give evidence of the high esteem in which his memory will be held. Floral tributes and telegrams of condolence have been received from private friends, colleges and engineering societies all over the world, many of the latter also sending representatives.

The funeral service will be conducted by Rev. Dr. James, rector of the Church of the Redeemer, and the interment will take place at Mount Pleasant cemetery.
