Light Four
Five Passenger
Touring Sedan

The Full Round of Seasons in Luxurious Comfort

FOR the winter? A closed car—by all means.

For the summer? An open car—most assuredly.

The Overland Light Four Touring Sedan is both an open and closed car.

And it is a smart appearing car either closed or open—in no sense a makeshift, either way.

The side windows can easily be lowered.

They drop into concealed slots in the body and doors

This leaves the sides of the car above the body practically open from end to end whenever that is your humor.

And it's so little trouble that you'll shut the car up tight for even a light shower and have it all open again in a jiffy as soon as it's over.

Then there's the solid comfort all winter long of a perfectly en-

closed car with all the protection of a limousine and the richness of closed car upholstery and interior finish.

Mounted on the economical Overland Light Four chassis, this is an ideal every-purpose car.

And you'll be delighted with its luxuriousness.

Enjoy the full round of the seasons in luxurious comfort. See the Willys-Overland dealer about this car today.
