CHAPTER III—SYSTEMIC GONORRHOEA AND GONORRHOEA IN WOMEN AND CHILDREN.	
Reasons for the Greater Seriousness of Gonorrhœa in Women.....	31
Course of Gonorrhœal Infection in Women.....	31
Gonorrhœa and Pregnancy.....	31
Gonorrhœal Child-Bed Fever and Sterility.....	31
"Pelvic Inflammatory Disease".....	37
Concealed or Latent Gonorrhœa in Certain Glands.....	37
Systemic Gonorrhœa; Rheumatism, etc.....	38
Gonorrhœa of the Eye (Gonorrhœal Ophthalmia).....	39
Prevention of Gonorrhœal Blindness.....	39
Gonorrhœal Inflammation of the Genitals in Girl Children.....	39
Vulvo-Vaginitis in Hospitals.....	39
CHAPTER IV—TREATMENT AND HYGIENE OF GONORRHOEA.	
The Difficulties of Treatment.....	41
Local and General Measures Employed.....	41
The Patient's Co-operation.....	41
The Treatment of Chronic Gonorrhœa.....	42
The "Bad Cold" Lie, Fakes, Drug Stores and Quacks.....	42
Treatment of Gonorrhœa in Women.....	43
The Obstinacy of Chronic Gonorrhœa in Women.....	44
The Abortive or Suppressive Treatment of Gonorrhœa.....	44
Hygiene of Gonorrhœa.....	44
CHAPTER V—THE CURE OF GONORRHOEA. GONORRHOEA AND MARRIAGE.	
Gonorrhœa is Usually Curable.....	46
The Carrier of Infection the Real Danger.....	46
Modern Tests for Determining Infectiousness and Cure.....	47
Gonorrhœal Childlessness in Men and Women.....	47
A Child Unborn.....	48
Gonorrhœa and the Medical Examination Before Marriage.....	48
Protection of the Fiancée.....	49
Protection of the Pregnant Woman Against Gonorrhœa.....	49
A Warning in Regard to Double Marital Infection.....	50
Remediable Weakness of the Existing Situation.....	50

PART III.

SYPHILIS.

CHAPTER I—HISTORY, CAUSE AND PREVALENCE OF SYPHILIS.	
The Origin of the Name.....	55
Syphilis, a Master Disease.....	55
The Historical Aspects of Syphilis.....	56
The New Knowledge of Syphilis.....	57
The discovery of the Germ and the Transmission of Syphilis to Animals..	57
The Spirochæta Pallida and Its Recognition in Early Syphilitic Sores..	57
The Prevalence of Syphilis.....	58
CHAPTER II—THE COURSE OF SYPHILIS—PRIMARY AND SECONDARY STAGES.	
The Stages of Syphilis.....	60
The Primary or Localized Stage—The Chancre.....	60
Cure in the Early Stage (Abortive Cure).....	61
Difficulties in Recognizing a Syphilitic Chancre.....	61
The Spread of the Germs from the Chancre to the Body.....	62
The Generalized or Secondary Stage.....	63
Syphilitic Eruptions and Their Variations; Common Misconceptions....	63
Syphilitic Eruptions and the General Public.....	63
The Dangerous Contagious Manifestations of Secondary Syphilis.....	63
The Constitutional Effects of Secondary Syphilis; Symptomless Syphilis.	64
