This new "MUNICIPAL MANUAL" is recognized as a text book of authority.

Chief Justice SIR WM. R. MEREDITH—himself a leading authority on municipal law—recently referred to it as "an accurate compendium of the law relating to municipal institutions in this Province." MR. JUSTICE MOSS, of the Ontario Court of Appeal, is equally commendatory; and the late MR. JUSTICE ROSE, in a judgment delivered September, 1901, speaks of "MR. BIGGAR'S admirable text book, in which all the recent cases on the subject are carefully collected and clearly reviewed." Letters from many other Judges, as well as from lawyers and municipal officers, give abundant testimony to the accuracy and completeness of the "Manual."

The following letter to the publishers by Hon. Justice Dillon, Author of the work on Municipal Corporations, the standard treatise in the United States:

NEW YORK, Nov. 23, 1901.

DEAR SIR,—Allow me to say, respecting the eleventh edition of the Canada Municipal Manual, recently published by you, being founded on the sixth edition of Harrison's Municipal Manual, that it is, in my judgment, a work of the very highest merit. The extensive use which I made of Harrison's Municipal Manual and publicly acknowledged, in the preparation of my treatise on Municipal Corporations, shows my high opinion of that work. The revision and additions of Mr. Biggar have brought down the constantly developing law of Municipalities to the present time. No lawyer or Judge interested in the law of Municipal Corporations can consult the present edition, with its reference to more than two thousand Canada cases, without instruction and profit.

Very sincerely yours, (Sgd.) JOHN F. DILLON.
