OTTAWA SURPRISES MONTREAL OUTFIT

Score a Victory Right in Canadiens' Hatbox Rink -Clean Game.

Montreal, Jan. 23.—Something of a sur-prise to the Canadiens was the victory of Ottawa at the Jubilee Rink here tonight, when the visiting team won the
National Hockey League scheduled game
by 4 to 3. The Senators outplayed the
Frenchmen from start to finish. The
Canadiens, apparently keeping in view
the fact that they have clinched the honors in connection with the first half of
the season's schedule, and are likely to
play off the winner of the second half, if
either Toronto or Ottawa should come in
this category, did play in form tonight,
but seemed rather listless. They were
without the services of Newsy Lalonde,

too. Couture "subbed" for Lalonde tonight.

An early lead was secured by the Senators, but the Canadiens evened up it
the first part of the third period. The
tying of the score came within five minutes of the calling of time. Then Ottawa recalled to the fee Denney and
Gerard, who had been resting, while their
places were taken by the subs. Lowery
and Boucher, and again the visitors assumed the offensive, and Hyland broke
thru the local defence and scored the winning goal.

thru the local defence and scored the winning goal.

The Canadiens' third tally, which temporarily tied the score, in the second period, was a "lucky" goal, won by Malone. Shore, in his effort to clear after Benedict had stopped a shot of Pitre's, passed the puck out so that Malone had an open chance to make the shot and score.

The game was devoid of rough play, and only three minor penalties were handed out, Berlinquette, Hyland and Corbeau being penaltzed for tripping. Hyland scored three goals for Ottawa, and Malone two for the Canadiens.

The teams:

Canadiens—Goal, Vezina; defence, Hall, and Corbeau; centre, Malone; wings, Pitre and Couture; substitutes, Laviolette, Berlinquette and Bell.

Ottawas—Goal, Benedict; defence, Shore and Rittchie; centre, Gerard; wings, Denneny and Hyland; substitutes, Lowery and Boucher.

the better of the milling, but the champion's early lead easily gained him the decision.

The R. F. C. uncorked a good one when they sent Pte. Harling against Russell in the 115-lb. class. Russell started with his usual grand stand display and the crowd got after him and he was hooted and hissed. Harling is a good two-handed fighter and soon had the crowd with him. Russell had a slight lead in the first, but after that Harling went to the front and gave him a good lacing, which pleased the crowd greatly. Frankle Bull, the ex-amateur champion, spoiled what had all the earmarks of being a great bout in the second round when he faced Pte. Jones, of the R. F. C. Jones started with a rush and the first round was a hot mixup from gong to gong, and the second was the same for about half the journey, when a succession of rights and lefts to the jaw that ended the bout.

The military boxing tournament at Massey Hall last night was a splendid revival of the maniy art. The big building was filled to overflowing, shout 4500 well-pleased devotees of the game being in attendance. There was a large proportion of the house in khaki and the Sportsmen's Patriotic Association and the officers of No. 2 Military District are to be congratulated on the success, also the depot battualions, to whom the profits were turned over President Mulqueen, of the S. P. A. maturally congratulated the big crowd on its splendid deportment. There was no smoking, and only an odd Indian who insisted in bolisterous calls.

The visitors put up a bitter fight as the score shows, the first period being 3-1; second period, 4-3, and the final, 5-4, the score being tied in their third period by Tuer after seven minutes' play, but Mc-Kellar tallied the winning goal five minutes later. The game was free from rough play, the 13 penalities imposed being for minor offences. Simms, a returned soldier, starred in the nets for the visitors, while their forward line showed lots of speed, outskating the locals with Len Lavelle the best. Combination play won for Galt, and the good work of Gravelle in goal. This was me first hockey game in Galt in three years and the turnout of fans showed a desire for the game. The teams:

BARROW'S SUCCESSOR

New York, Jan. 23.—Arthur A. Irwin is the latest candidate for the presidency of the International League. The Irwin bcom originated in Newark yesterday, with the assertion that already he is able to command the votes of four of the eight clubs. Irwin, who is the business manager of the Toronto club, has been identified with baseball for more than thirty-five years, but this is the first time that he has been named for the presidency of any league. So far three candidates have been suggested for Edward G. Barrow's place, Irwin, James R. Price and Edward Hanlon.

VETERAN JOCKEY DIES.

New York, Jan. 23.—Jacob Pincus, one of the most famous jockeys and trainers on the American turf, died suddenly of heart disease in the Mount Vernon Hospital today. He was 80 years old. Jacob Pincus was known on nearly every race track in the world. He was a turf follower of international reputation. He rode all of his races on the American tracks, but as a trainer he developed and saddled winners in all parts of the world. He was the only American trainer to win an English Derby with an American bred horse. This he did in 1881 when Pierre Lorllard's Iroquois defeated the best horses in Europe in the historic classic.
