The Temiskaming Railway commission will meet to-day. Col. Matheson, provincial treasurer, says if the present government and the present commissioners had been in office when the first section of the Temiskaming and Northern Railway was constructed from North Bay to New Liskeard it would have cost a million dollars less and a better line several miles shorter would have resulted. That the return the people are getting for their \$4,000,000 investment is only 2 per cent. at the present rate of profit is no fault of the men now responsible for the road.

The first section was taken over about The first section was taken over about the middle of January, and for the months of January and February the receipts were \$14,009, and expenditure the earnings \$470. The stocks of the best prize-winning makers have been thoroughly inspected, the result being our magnificent showing of the 'wary best' from all.

For goods of such calibre as these our prices will be found below average expectation.

Hamilton, Aug. 15.—(Special.)—The markets committee is preparing to make a general clean-up on the Central Market. A sub-committee appointed for that purpose had a session this aftermoon, and agreed that the butchers must keep themselves and their wagons tidier than they have been, and that Hamilton, Aug. 15 .- (Special.)-The tidier than they have been, and that they also must cover meat while it is being delivered.
