a recommendation to the finance committee that money be provided for the
collection of garbage in the east end annex and on the mountain. The board has been collecting garbage in a part of the annexed district and when it demurred about extending the system of collection, Ald. Robson said the petitioners had just as much right to consideration as J. J. Scott, K.C., from whose houses the general section and the residence of her sister-in-law, Mrs. John McAllister, 166 North Macnab-street. whose houses the garbage was being taken. The board decided to cut off the collection in the whole of the annex ntil the finance committee deals with

the question.

The market committee this afternoon sent a bylaw to the council prohibiting peddiers of foreign fruits from doing business on the streets, altho City Solicitor Waddell said he doubted if such action would be legal.
