# **Ice Cream Bricks**

In "Neilson's" Ice Cream you get absolutely pure cream -it stands the highest government tests.

If we used adulterants we could save thousands each year -and probably sell "Neilson's" to you cheaper-but it wouldn't have that delicious creamy flavor.

Our ice cream chefs are expert confectioners who are at their best in creating our rare combination ice cream flavors.

Watch the streamers on your druggists' and confectioners' windows for our specials.

Stop and get some for dinner.
