

The New year glides, in front her awful train,
Of snow and drift and ice and wintry rain,
August and solemn; nor the thickened sky
Disdains to aid the passing stranger by.
She greets the Novascotians with a smile,
Of promised blessings and a burdened soil:
They in return in joyful rings appear,
And friend to friend exclaims, "happy New year."

PHASES OF THE MOON FOR JANUARY, 1841.

- Full Moon, 7th day, 10h. 44: Morning.
