Dean and Glew are to skate a one mile race at the Queen's Rollaway tonight after the tenth band. Dean is fast, so is Glew, for the latter has defeated Follis, Merritt and Vigue, and they were fast. Dean intends to get in among the topnotchers, and he knows that every race won counts, so he will skate to win tonight. Glew didn't come here to lose, so tonight's race will be a dandy, and lovers of speed should not fail to see it. The rink is comfortably heated so that spectators will enjoy it.
