HOSTILITIES TO BE RENEWED IN NICARAGUA

Madriz is Reinforcing His

(Times Leased Wire.)

Washington, D. C., Dec. 30.-Doubting the sincerity of President Madriz, authorities, it is reported that Earl who has made representations to the Percy, former British under secretary revolutionary army in Nicaragua, with the establishment of peace as the ostensible object in view, General Estrada has declined to suspend hostilities and is determined to push his army on toward Managua.

A cable dispatch from Estrada at Bluefields, December 29th, received here by Dr. Castrillo, representative of the provisional government in Nicaragua, with the first state, who died at the Northern rallway hotel here to-day, succumbed to wounds received in a duel with an Englishman near here Monday.

Pleurisy was announced as the cause of his death, the police denying that any duel was fought.

The Earl arrived here on December 22nd. His full name was Henry Algernon George Percy, bearing the title of

here by Dr. Castrillo, representative 22nd. His full name was Henry Algerof the provisional government in Nicaragua, indicated the attitude of the
revolutionists toward the proposition
made by the new president. Its text

Estrada demands that Madriz conthe revolutionists or call a general clection to choose a chief executive.

Should the latter alternative be accepted, the revolutionists would retain

"Madriz has asked me to suspend hostilities, but our military operations cannot be suspended because we know Madriz is making conscriptions of troops from the interior and is formenting a division between the section.

troops from the interior and is fomenting a division between the eastern and western sections of the republic.

"You know that this procedure can only result in more bloodshed and the foundation of anarchy in our fatherland.

(Signed) "ESTRADA."

Estrada's Ultimatum.

Managua, Dec. 30.—General Estrada to-day sent an ultimatum to President Madriz, according to a rumor current here, stating that he will agree to suspend hostilities and abandon his march against Managua upon either of two conditions.

TRIAL OPENS.

that Madriz will accept either proposition.

Madriz has appointed three commissioners to confer with the revolutionary leaders in an attempt to secure peace. Madriz entertains little hope of its success, despite the present clever move of appointing Dstrada's brother as a member.

Met and suicide, opened yesterday. He and his flancee. Berths McLean were found wounded in his room on the afternoon of December 16th. The latter, in a very nervous condition, gave evidence, saying she had jokingly refused to marry him, when he pointed a revolver at her. The next taking she knew she was lying on the floor in a pool of blood, with a wound in her head.

### **ELEVEN VESSELS** PROBABLY LOST

FIFTY MEN ARE REPORTED MISSING

foundland Rages Six

(Times Leased Wire.) St. Johns, Nfid., Dec. 30.—Eleven Newfoundland schooners and their crews of 50 men are believed to have been lost in the Christmas blizzard, be constructed for a proposed journey to the polar regions, according to Prof. H. H. Hergesell, of Strasburg, Germany, who is in New York to-day. Prof. Hergesell, who arrived on the steamship Joachim, from Kingston, Jamaica, will be a member of the party of twelve scientists that will make the trip.

Professor Hergesell said that the trip to the North Pole itself will be only a secondary consideration, the expedition being taken mainly for the gathering of scientific data.

John Dillon, at Swinford, said that "failed to follow the sagacious expower to control the House of Lords, ample of fileir opponents in making Home Rule was a certainty.

At Rugby, Lord Saltsbury thought it would be a pity to have two elected bodies to govern the country. An independent body was wanted with a great sense of responsibility and do-ing its utmost to interpret the wishes

(Special to the Times.)

Prescoit, Ont., Dec. 30.—Frank and Harry Easter were drowned in the river near here Tuesday. Along with their sister they were sliding down a hill on to the river. When the sleigh had run a short distance on the ice it.

Mr. Chamberiain maintains that the Lords did not go beyond their duty in rejecting the budget, and believes the time is tipe for tariff reform, because "We now have an opportunity of securing more largely the trade of our their sister they were sliding down a slot tiding to meet us if we consent to a recibing to meet us if we consent to a recibing to meet us if we consent to a recibing to meet us if we consent to a recibing to meet us if we consent to a recibing to meet us if we consent to a recibing to meet us if we consent to a recibing to meet us if we consent to a recibing to meet us if we consent to a recibing the budget, and believes the from now the Socialists will be cheering him."

The Blenheim Palace party also provoked an amusing interlude at the Unionist meeting at Burnley. Gerald Arbuthnot, the Unionist candidate, said:

"We are shortly to see the boardbroke through and the children went under. Their mother, who lives close by, managed to reach them and saved the little girl. Unaided she succeeded in getting the two boys out, although she was in great danger of losing her own life. The boys, however, were beyond help when their bodies were received.

"We are shortly to see the boardings covered with grotesque caricatures of deformed distorted figures, which are supposed to represent typical members of the House of Lords. One of them, to be used by the Radical party, depicts a bloated-faced brute in a peer's robes and coronet. This poster was received by Mr. Churchill for his approval, and where The government in advocating Home do you think it came to him? He re-

### WRECK SIGHTED NEAR FLATTERY

MAY BE HULK OF THE MATTEHORN

Cape Flattery, may be that of the sailing vessel Matterborn, which founder. Henry Jelly, a 12-year-old boy, after and on November 26th, is the belief of shipping men here to-day. Only the iron masts of the ship were visible street, where he froze to death.

when the Bellingham passed the scene, and the meager information at hand leads to the belief that the week is that of some foreign built sailing vessel.

So many sailing craft answering to the only known detail of the week have disappeared off this stretch of coast that the sunken hulk may be the remains of any one of them. coast that the sunken hulk may be the remains of any one of them.

The Matterhorn foundered 15 miles out to sea from the vicinity of the reported wreck, and with the exceedingly swift currents which have been running for some time, it is considered probable that the ship has gradually drifted along the bottom and found a resting place in the shallows near the shore.

The revenue cutter Snohomish will likely be sent out from Seattle to investigate the sunken ship, and if found to be a menace to havigation, destroy it.

WILL RETURN HOME.
