THE

A BLUE LOOKOUT.

ship as the Turner cabinet exhibits from

day to day passed current as "all right."

but that day has gone; people are tired

finding excuses for each fresh piece of

change. The Colonist has kindly named

a cabinet from among the opposition

members, saving us the trouble of com-

piling one; and whatever differences of

oninion there may be as to that cabinet.

there can be no difference at all as to

its infinite superiority to the marionette

troupe now in office at James Bay. Of

one other thing there can be no doubt,

and that is that the Turner government

is going to have what is vulgarly called

a "hot time" when the legislature meets.

Questions will be asked that will re-

quire all the squirming and elusive

powers of the several ministers to an-

swer. Many of those questions will re-

main unanswered until the people an-

swer the general big question when the

government goes to the country asking;

"Want us any more?" The answer will

be "No!" with such emphasis, that there

wil be no mistaking the feeling behind

the word. Students of political economy

will find in the record of this unhappy

government rich material for eareful

consideration; they will discover as they

peruse that history how it is possible for

a government, left to its own sweet

will, to work fearful havor with the

credit, the finances and the prospects of

a country. They will wonder exceeding-

ly that the people of British Columbia

should have put up so long with repre-

sentatives who have coolly violated

every rule of ministerial etiquette and

played a mean, self-seeking and un-

With the aid of a clever, experienced.

unscrupulous newspaper organ, the

Turner ministry might have been able

to make a more plausible defence than

the poor, phthisical Colonist's gratesque

advocacy is simply condemnation of

the government it would defend. The

government should carefully muzzle its

patriotic part.

We have not thought it necessary in As the day for the opening of the the past to deny all the charges and provincial legislative session approaches insinuations in respect to the attitude of the position of the Turner ministry bethe Liberal party in provincial politics, Fern Dividend Within Three Months comes more and more critical. One by which have appeared in the Vancouver one the supporters of that government World. The World claims to be a Libamong the newspapers of the province eral paper, and in the capacity of dele are dropping away and disavowing all gates two of its editors took part in the connection with the moribund cabinet Liberal convention at New Westminster. that has well-nigh smothered itself in The World is therefore in a position to ridicule. Nobody and no paper seems know that the Liberals as a party in willing to be known now as a supporter | declaring their opposition to the Turner of the Turner government. The Colonist government, were not influenced by any comes away with a feeble panegyric desire for party advantage. They reonce a week; but so insincere, hollow, fused by a very large majority to declare in favor of party lines, and nothing has cheap, that anyone can see the "game since transpired to justify the insinuais up." And high time, too. There was a time in the history of this protions which have appeared from day to day in the columns of the Vancouver vince when such shambling statesman-

NOT A PARTY QUESTION.

paper. The World points to the nomination of Mr. Deame, of Kamloops, and to the possible candidature of Mr. E. V. Bodwell, folly perpetrated by the so-called govern- of Victoria, and Mr. E. P. Davis, of Vancouver, as evidences of some deepment, and throughout the length and laid scheme by the Liberals to capture breath of the province there is an eager desire for a change-a radical the government of the province. Mr. Deane was nominated by a representative Opposition convention, at which Mr. C. Semlin, Opposition leader, presided. There were, possibly, as many Conservatives as Liberals present. If Messrs. Bodwell and Davis become candidates so the next dividend may be large or it will only be after nomination by conventions of the Opposition party. If they do not receive such a nominationif they are not the choice of the opponents of the government-we are quite sure that they will not be candidates. The Times will support any four candidates in Victoria city-whether they are all Conservatives or all Liberals, or plant soon?" part Conservatives and part Liberalswho are properly put in nomination by the Opposition party of this city. The object of the World in misrepreunited, and if they continue united they
