Republics under conventions which were

"A discussion had been proceeding for some months between Her Majesty's Government and the South African Republic, of which the object was to obtain redress for certain very serious grievances under which the British residents in South Africa were suffering. In the course of those negotia-tions the South African Republic, had to the knowledge of Her Majesty's Government, made considerable armaments and the latter had, consequently, taken steps to provide corresponding reinfercements for the British

"No infringement of the rights guaranteed by the conventions had up to that point taken place on the British side. Suddenly, at two days' notice the South African Republic, after issuing an insulting ultima tum, declared war upon Her Majesty; and the Orange Free State, with whom there had not been any discussion, took a similar
