Deafness Cannot be Cured by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed, you have a running sound or imperfect hearing, and the tube becomes clogged. Deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever. None cures out of it.

\$10.00 OR ITS EQUIVALENT FOR SHOOTING TOP BLACKBURN.

CINCINNATI, Aug. 24--A decision by the National Baseball Commission revealed a new record in prize paid by union league players. President Comiskey, of the Chicago White Sox, announced a new market in paying \$10,000 or its equivalent to the Providence Club by the Commission. He was claimed by the Chicago, American and Pittsburgh National League clubs. The management of the Providence team entered into an agreement with Pittsburgh whereby the Pirates were to get Blackburn in exchange with an offer of \$5,000 in cash and two players valued at \$5,000. The proposition was snuffed up in a hurry. When the Pittsburgh Club learned that Blackburn had been disposed of to the Chicago American team, President Barney Dreyfus immediately appealed to the National Commission. The National Commission today adopted a new rule, No. 31, making more stringent the regulations against covering up players in deals.

Both men were admittedly above the weight limit of 125 pounds, as they took their corners. At the top of the bell Smith cracked the fight to Gross and he was both clever and rugged and for five rounds kept his man covered up.
