## HAD INDIGESTION

## Could Keep Nothing on Stomach.

Indigestion is one of the worst forms of stomach trouble. The stomach becomes upset and you have a raw, debilitated feeling in it.

After a meal you feel that you must get rid of that nasty, bilious, burning sensation; the souring and rising of the food which is so unpleasant and in many cases very painful.

It is not necessary for you to be troubled with indigestion when Burdock Blood Bitters may be so easily obtained. This old and well-known remedy, which is a combination of nature's best roots, herbs, bark and berries, will cure indigestion and all stomach troubles.

Mrs. Lazare Savoy, Pokemouche, N. B., writes: "About two years ago I was troubled with indigestion and I could keep nothing on my stomach. I was sorely disappointed in everything I tried to relieve me. At last a friend advised me to try Burdock Blood Bitters. I took four bottles and can now eat anything that is set in front of me."

That grand old medicine, B. B. B., has been on the market for the past forty years, and we claim, without any fear of contradiction, that it is the best cure for all stomach troubles. Manufactured by The T. Millard Co., Limited, Toronto, Ont.
