OBITUARY

Wm. T. Archibald.
Nanaimo, B. C., July 25.—The death
occurred yesterday of Wm. T. Archi-
bald, who, up to the time of his re-
tirement, six years ago, was manager
of the C. P. R. telegraph office in this
city.
A native of Truro, aged 61 years,
the late Mr. Archibald had been in the
telegraph service since he was four
teen years old. He handled the first
cable message ever sent across the
Atlantic, which was addressed by the
late Queen Victoria to the then Presi-
dent of the United States.

At his residence, 541 Main street,
the death took place of Jeremiah J.
Ryan, on Thursday afternoon. The
deceased was appointed a member of
the letter carrier staff of the post
department on Dec. 23, 1891, and was
able to discharge faithfully his duties
up to about four months ago, when he
was stricken with paralysis. His in-
firmities were attended by Miss
Margaret O'Brien; two sons, Arthur,
a student at the Redemptorist College;
Gerard, and four daughters, Kath-
erine, stenographer at military head-
quarters, Sydney street; Gertrude,
Margaret and Frances. One sister,
Mrs. Hannah O'Brien, widow of Pat-
rick O'Brien, also survived.

The late Mr. Ryan, who in his
younger days resided in Kings ward,
learned the printing business at the
Globe office and was a member of the
composing staff for years. He was a
charter member of the Father Mathew
Association, organized in 1871, and
the first assistant secretary. He was
also, a member of St. Joseph's Society,
as well as of the Dramatic Club, which
gave excellent dramatic entertain-
ments many years ago in St. Malachy's
Hall.

In later years, Mr. Ryan took great
interest in the affairs of the Ancient
Order of Hibernians, and a few years
ago was president of Division No. 1,
A. O. H.
The funeral takes place this morn-
ing at 8.45 o'clock, from his late resi-
dence, to St. Peter's Church, for Re-
quiem Mass, at 9 o'clock (old time).

William H. Black.

curred at his home at Upper Dorch-
ester on Thursday morning, after an ill-
ness of several months, aged 68 years.
He is survived by his wife and the fol-
lowing family: Dr. Raymond, dentist,
of Newton Highland, Mass.; the Misses
Nellie and Victoria, nurses, of Brook-
line, Mass., and Miss Myrtle, at home.
Six brothers and two sisters also sur-
vive, Joshua F., of Richbucto; Asher,
of Bermuda; Albert, Everett, Mass.;
Arthur, of Boston; Dr. Currie, of Rox-
bury, Boston; Mrs. (Dr.) Watson Dill,
of Windsor, N. S., and Mrs. (Dr.) Levi
Doris, of St. John's, Nfld.

DISCUSSED STREET PAVING.
The Retail Merchants' Association
committee, waited on Commissioner
Fisher yesterday and discussed street
paving. They took up with him some
of the most pressing problems, includ-
ing improvement of the streets in the
central part of the city, and particu-
larly those over which the Prince will
travel during his stay in St. John.
Mr. Fisher explained what work
had been done this year, what still
remains on the programme and what
he has in view. He also went into
the financial aspect of the matter, ex-
pressing his willingness to undertake
work on a much larger scale if the
money could be provided, and explain-
ing his present limitations. The dele-
gation seemed satisfied.

It was stated yesterday that the
committee had not yet come after the
provincial government regarding the
disgraceful state of the St. John-St.
Stephen road.

SHOULD STORE A
SUPPLY OF WATER

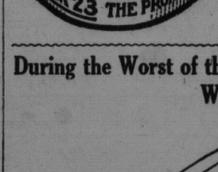

There Will be no Water on
City High Levels from 2.30
This Afternoon Till Sunday
Evening.
All residents of the high levels of
the city, that is Mount Pleasant, Doug-
las avenue, and Lestrange street, should
store a supply of water this morning,
for at half past two this afternoon
the city's source of supply will be
changed from Lake Letimer to Little
River, and that will mean that there
will be no water on the high levels.
It is expected that the city will have
to rely on the Little River supply till
Sunday night.

The reason of the change over is
that the water department has com-
pleted the work of laying the big new
main around Lake Fitzgerald, and is
ready to make connections with the
present main pipe. To do this it is
necessary to shut off the water from
Lake Letimer and turn on the water
from Little River, which was the
city's sole source of supply for many
years. When the necessary connec-
tions are made the present pipe
across what is known as the dry
lake will be abandoned.

Commissioner Jones stated yester-
day that the work of making the con-
nections would be rushed with all pos-
sible dispatch, and that he expected
they would be able to turn on the
water from Lake Letimer Sunday
evening. Many of the residents of
the high levels will probably be out
of town for the week-end, and it is
not expected there will be much in-
convenience.

BAND CONCERT ENJOYED.

The City Cornet Band delighted a
large audience last evening when an
excellent programme was played on
Tilley Square, West St. John.
