## AMUSEMENTS

Points Out Place  
Church Is WeakLack of Good Fellowship is  
Vital Error Declares the  
Rev. Dr. Hill.

"The weakness of the church is the lack of good fellowship." "The realization of fraternity will lead to a better world. We must make the interpretation of the teachings of Jesus dominant in social, economic and national life." It was with statements like these that Rev. A. M. Hill, Ph.D., Maritime Secretary of the Brotherhood Movement, brought his subject before the congregation of St. Andrew's church last evening. Dr. Hill preached a forceful sermon, giving many startling illustrations to emphasize his points.

## Nations in Movement

There are twenty-two nations participating in the Brotherhood Movement. Men will say there are brotherhoods founded upon human systems but no secret society will exist for one year if the Word of God is taken from the lodge room. A Socialist once spoke before a large meeting in Chicago, saying that the Golden Rule was all wrong. His words were contradicted, and to the satisfaction of a large audience it was proved that Socialism is founded upon sacrifice, and its only hope is in the Gospel of the lowly carpenter of Nazareth. Dr. Hill told of an instance where a brotherhood of 400 Toronto men gave practical help to one of their number. Earl Grey has pointed out that "church on Sunday and self on Monday" is not a doctrine which would save the world. It is when "each for all and Christ the Master" is the motto that problems will be solved.

## Way to Brotherhood

The way to brotherhood is obedience to God—the bearing of one another's burdens and the teaching of the Brotherhood of God.

Dr. Hill asked why the churches should lack the spirit of good fellowship which is shown in Rotary Clubs, Canadian Clubs and Fraternities. He appealed to St. Andrew's church to form a brotherhood and link up with other Canadian churches from Halifax to Vancouver.

The music included a well rendered solo, "Evening Prayer," by Harry Shaw.

# CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

## What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulence, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. HE CAN NOW WALK  
AS WELL AS EVERHalifax Man Had Rheumatism  
So Bad Before Taking Tan-  
lac Could Hardly Get About

"The people who used to see me hobbling home from work can look at me now as I come walking briskly in and see what a few bottles of Tanlac has done for me," said Robert Barley, 21 Agricola street, Halifax, N. S., recently.

"For over three years I suffered with rheumatism in my feet and legs. My feet hurt so bad I could hardly walk home from work, and when I got home I simply wanted to drop into the first chair I came to and pull off my shoes and try to get my feet to quit burning and aching so. I couldn't sleep at night, and was so nervous the least little excitement would get me all upset.

"Well, the very first bottle of Tanlac got me started well on the road to recovery, and now my rheumatism is gone and I can walk home like a sixteen year old when I get through work every day. I used to have a lot of trouble with my stomach, had no appetite, but even that trouble has been corrected, and my appetite is just fine and I have gained several pounds in weight. I never heard of a medicine helping anybody like Tanlac has me."

Tanlac is sold in St. John by Ross Drug Co., E. W. Munro and by R. D. Wetmore, Ferry's Point, N. B., under the personal direction of a special Tanlac representative.—Adv.

The minister said Germany would welcome world-wide disarmament.

## REFLECTIONS OF A BACHELOR GIRL

By HELEN ROWLAND  
(Copyright, 1920, by The Wheeler Syndicate, Inc.)

Every man is a "Narcissus" when he is looking into a pretty woman's eyes.

If a blonde had only two more hours to live, she would spend one hour and fifty-nine minutes in doing her hair.

Half the world is asking, "What do you get out of marriage?"—and the other half, "How do you get out of it?"

A man is never quite as brilliant as a woman thinks he is, before marriage, nor quite as stupid as she thinks he is, after marriage.

There is something about a nice new check-book that always gives a woman a self-important feeling—even when she has just overdrawn her balance at the bank.

Ever offered Adam the apple—and, ever since, woman's punishment has been to have to supply a man with food, and then to suffer the consequences when it disagrees with him.

Snob. One who would rather be run over by the Vanderbilt's touring car, than to be seen riding in the O'Hooligan's flivver.

When sickness makes a girl pale, nowadays, it is because she is too sick to lift a lipstick.

A married man is always busier than a bachelor, because he has to spend half his time in explaining the things which he spends the other half in thinking up excuses for doing.

Things that can be stretched awfully far without breaking: The truth, the law—and a woman's forgiveness.

Fairville Girls Win.

An exceptionally good series of games was staged in the City Basketball League last Saturday night before a large crowd that packed the Y.M.C.A.

A game played between the Fairville Baptist Girls and the Y.M.C.A. Seniors was won by the former by a score of 14 to 5.

The Y.M.C.A. Business Boys defeated the St. David's squad by a score of 28 to 9.

**Senior Contest.**  
The Senior contest was described by many as the best game of the season, and the fastest and most evenly contested one that has been played here in years.

In the second half the Baptists set a pace that proved too much for their opponents. After piling up a considerable lead, they took the game with a score of 14 to 5. Sandy Christie refereed.

The line-up of the two teams follows:

Berlin Jan. 30.—Drover Cleveland Bergdoll, the Philadelphia draft dodger, can be credited with another sensational escape. According to reports published in Berlin today, Bergdoll, who has been living in the small town of Eberbach, in Baden, since his flight from America, was attacked yesterday, when accompanied by a man named Stecher, he drove to the station to meet guests.

He was set upon by an American sergeant and a detective, assisted by four unknown men, who had come by automobile from Speyer in occupied territory to capture the two fugitives and carry them across the Rhine. As the motor containing the Americans approached the one in which Bergdoll was sitting in front of the station, an armed man, who was standing near the entrance, started his motor.

Made His Getaway.  
According to one report, Bergdoll thrust aside the detectives' revolver and sped away amidst a fusillade of shots, one of which wounded a member of his party. His would-be captors immediately were attacked by a large crowd that gathered and prevented them from making a pursuit.

John Keith was impersonating Derwent Conniston. He had rehearsed thoroughly every detail of the English officer's life, but had not been warned that Conniston had a sister. And so, when he found her a slim, wonderfully pretty little thing who called him brother, he felt within him the impact of conflicting emotions, of contradictory impulses. He loved her instantly; he wanted to tell her the truth, yet he knew that if he did so, he, a fugitive from justice, would be hanged. This is only part of the tale, by James Oliver Curwood.
