CENTENARY PASTOR CLOSES WORK HERE

Rev. Dr. Sprague to Leave on Thursday Next for Sackville

APPROCIATION OF HIM

Quarterly Board Passes Resolution Touching on His Ability and the Good Work He Has Done—Successor to Be Here First Sunday in July.

Rev. Howard Sprague, D.D., Sunday conducted his farewell service in Centenary church, nine years of which he has been in Centenary. Next Thursday he will leave for Sackville, where he will assume the position of dean of the theological faculty of Mount Allison university.

The sermon Sunday evening was a forceful one. The subject was the Love of God. At the close Dr. Sprague spoke briefly, bidding the congregation farewell. He had never, he said, in his forty-five years ministry preached a farewell sermon because, in his opinion, it called for qualities of mind which he did not possess. He felt, however, that a great many would be waiting to hear some farewell expressions from him.

He went on to speak of the years which he had spent in the pulpit of Centenary church. He thanked the congregation for their forbearing kindness and for the support they had given him, and also thanked the members of the choir who, by their efforts, had done so much to make the worship of the church inspiring.

Appreciation of the Church for Dr. Sprague.

The quarterly board of Centenary church adopted the following resolution at a meeting held on Friday last:

Whereas the Reverend Howard Sprague, D.D., having been appointed to the position of dean of the theological faculty of the University of Mount Allison, has decided to withdraw from the pastorate of this church, it be resolved that the quarterly board, desirous of expressing the feeling of the members and adherents of the Centenary church, hereby place upon record in the minutes of this meeting their sincere appreciation of the high value of the services of the Rev. Dr. Sprague in the three periods during which he has held the superintendency of the church.

During his first pastorate with us, beginning July, 1876, occurred the great fire, which, consuming a large portion of the city, swept away our church building. Through his faithful and energetic efforts in England and elsewhere was received a considerable part of the money spent in the erection of our present church. Again in July, 1880, he was called to preside over us, and for three additional years rendered brilliant and highly valued service. And now since July, 1905, our people have been enjoying the fruits of his ministry, and we are proud to have him as a member of our church and congregation.

It is expected that Rev. Dr. Sprague will take his last service on July 10. Rev. E. W. Kelly will conduct the services for the next two Sundays.

PUBLIC CLOSING OF NORMAL SCHOOL

Fredericton, June 6.—Public closing exercises of the Provincial Normal School were held this morning under ideal weather conditions and attracted many visitors. The past year has been one of the most successful in the history of the institution. The total enrollment was 350. The health of the students has been exceptionally good and they have made marked progress with their studies.

Visitors at the closing exercises included Dr. Inch, Chancellor Jones, and Mayor Chastant. Principal Bridges opened the proceedings with a brief address. He gave the enrollment for the term at 350, the largest in the history of the institution. In closing he made a strong plea for increased accommodation, which he said had become an absolute necessity.

The programme carried out by the students included choruses, an exhibition of physical drill by students, readings by Mr. Walden, Misses Magee and Tait, and a lesson by Misses Raymond, Gallivan, Jones and Mr. Wathen. The work of the school was well exemplified in exercises and those who took part came in for much well deserved praise.

The governor-general's silver medal for the highest standing in the senior class was won by Marshall Mason of Fredericton Junction, with Miss Edith Peacock of Westmount. The bronze medal was won by the Junior class was won by Miss Gladys McDermott of Charlotte county, with Miss Blaney of the same county.

Dr. Inch presented the medals in a happy speech in which he heartily congratulated the winners. The prize of \$30 donated by Governor Tweedie to the senior class was won by Mr. Daley of Albert, with Miss McNeil of Restigouche a second.

The governor's prize of \$20 donated to the Junior class was won by Miss Curran of Campbellton. Chancellor Jones made the presentation. Bridges had addressed a few kindly words to the students, the proceedings closed with the National Anthem.

The final examinations will begin on Tuesday next and the students will return to their homes on Friday and Saturday.

The Women's Missionary Society this morning elected the following officers: President, Mrs. J. D. Chipman; Dr. Stephen; first vice-president, Miss H. Stewart; Mrs. A. Sackville; second vice-president, Mrs. Howard; St. John; third vice-president, Mrs. J. D. Chipman; recording secretary, Mrs. G. F. Dawson; Charlotteville; Mission Board corresponding secretary, Mrs. J. D. Chipman; treasurer, Mrs. S. Williams; Maryville; auditor, W. B. Coulthard; Fredericton; delegate to board, Mrs. Lawson; alternate, Mrs. Corbett.

The choice of the next place of the meeting was left with the executive. The new members of the association, Col. T. G. Logie as surgeon general, were well received although it did not create much surprise. Col. Logie has been connected with the value of the services of the Rev. Dr. Sprague in the three periods during which he has held the superintendency of the church.

BAPTIST DISTRICT ANNUAL MEETING

Sessions on Saturday and Sunday in Fairville

REPORTS FOR YEAR

Twenty-three Churches Tell of Membership and Finances—Annual Sermon Preached by Rev. W. C. Goucher—Meetings Will Be Continued Today.

The annual meeting of the seventh district United Baptist churches opened in Fairville Baptist church on Saturday afternoon and continued throughout yesterday. There were many helpful addresses and the delegates, though not large in numbers, will carry back to their churches much that will be of profit.

The first meeting was a purely business one and committees were appointed for the district. Mr. E. Fletcher, president of the district, presided. The reports were presented by the delegates and, in the absence of any delegate, by Dr. C. Clark, clerk-treasurer. There were twenty-eight churches in the district and twenty-three were near. The total membership was given at 2,492. During the year ninety-four were added to the church roll and 229 were dropped for various reasons, leaving a net decrease of 135. The total value of churches was reported to be \$80,400; of parsonages, \$13,150.

The number of ministers was given as ten ordained and one licentiate. To these a total of \$7,200 was paid. The amount expended for improvements on churches was \$5,670 and for denominational and charitable purposes, \$780. The Sunday schools and other auxiliaries raised \$2,290. The total amount raised for all purposes was \$13,700.

Twenty Sunday schools were reported in the district with a total enrollment of 1,710 and an average attendance of 1,083. During the year 44 joined the church from the Sunday schools. The amount of \$880 was raised by the schools alone.

There was a large attendance at the public foreign mission meeting on Saturday evening. The addresses of the speakers were given by Rev. W. C. Goucher, president of the Baptist Foreign Mission Society. Addresses were given by Rev. Wellington Camp, president of the Baptist Foreign Mission Board, Rev. E. W. Kelly and Miss Gerow, returned missionaries.

Mr. Camp told first of the work carried on by the women and their system of supporting missionaries in the field. He then told of the essentials for successful missionary work and said that there were three pillars upon which true missionary work must rest. These were the spirit of the gospel, the power of the gospel and the ability of the people to give the message of salvation to the heathen world.

Rev. E. W. Kelly told of his work in Burma and of the customs and habits of the people there. In that province of British India alone there were now 60,000 Christians. In 1912, Rev. A. J. Johnson, a returned missionary, was in that province and a great harvest had been sown.

Miss Gerow also told in an interesting way of her life in India and of the need for greater effort and more missionaries. The Sunday services.

The Sunday services opened with prayer conference by Rev. Frank E. Bishop of the Fairville church, and in which all present took part. The annual sermon for greater effort and more missionaries was preached by Rev. W. C. Goucher was a brilliant effort and was listened to by a large number. Rev. Mr. Goucher took as his text the words "Blessed are those who shall see God." The subject was "Seeing God" and he told of the necessity of having a vision of God and the importance of keeping a pure heart.

In the afternoon the delegates met with the Sunday school of the church and after a report by the superintendent, an address was given by J. N. Harvey, superintendent of the provincial association. He traced the growth of the Sunday school and spoke of its great importance. He also made a strong plea for the recognition and maintenance of a strong adult Bible class department in the Sunday school of today.

A home mission meeting was held in the evening, and the auditorium of the church was crowded. Rev. M. E. Fletcher presided and introduced the speakers, Rev. Dr. W. E. McIntyre and T. S. Simms.

Rev. Dr. McIntyre devoted his address to a review of the needs of the home mission field. He spoke of the large number of unfilled parsonages and fields and the need for greater effort and more missionaries. He reported that twenty student preachers had been assigned churches for the summer months throughout the province and that they were to be met by the new problems confronting home missions, mentioning the G.T.P. construction camps as a field for effort.

REV. MR. PRINGLE SAYS CONDITIONS ARE WORSE THAN HE SAID IN YUKON

Blames Government Officials For Roten State of Affairs—Says He Can Prove All His Statements.

Winnipeg, June 6.—Rev. Dr. John Pringle, a prominent Presbyterian divine, who has been in the public eye for some time owing to his fearless exposure of corruption in the Yukon, has arrived in the city as a delegate to the Presbyterian Assembly.

"I have as a minister got out into the open because of the present Yukon conflict, and I intend to stay. The half has not been told. The next three months I will have free, and when the members of the government have said their say in their endeavor to discredit my statements, then I will vindicate my statements." A man may not from the public treasury and violate a good name, but he may live in a hole and yet pass for honest in the Yukon. I can cite instances which people would not think of believing. I could tell of facts which rest on the public platform for the benefit of Canada. I am not offering invasion for party ammunition, although it is impossible for me to avoid it being used as such. No man who had an atom of self-respect or a trace of decency could pass by the practices that are being perpetrated.

"Immorality is so rife in the country that there is no standard of right or wrong. Public funds and the people's money have been wasted in the most reckless manner. Men have been disgraced by the hundreds, aliens have been brought in, and the people have had no right, and affairs have sunk to a level which has shamed this country."

"So far as I am concerned, the fight is only beginning. I have an aim in view. I intend to carry out. I have only begun the fight, but I hope to prove to the people facts which show an administration unbelievably corrupt. I have no quarrel with the government, but I will have to be responsible."

Mrs. Percy W. Thomson's luncheon on Friday of last week, for Miss Winifred Barker, was a delightful affair. The luncheon table was beautifully decorated with heliotrope and white sweet peas. The central decoration rested upon an exquisite basket of white ribbons. The doilies to match, both of which were the gift of Miss Barker, who brought them from India and presented them to her hostess. The artistic place cards were ornamented with sweet peas. Among those present were Miss Sidney Smith, Miss Jean Fenety, and Miss McMillan.

Mansel Sheehan, brother of the bride, assisted by Rev. James Millidge, brother of the groom. The bride, who looked extremely well, wore a handsome tailor-made gown of Copenhagen blue with large black picture hat and carried a white prayer book. The drawing-rooms were beautifully decorated with apple blossoms and yellow daffodils. Only immediate friends of the families were seated at the ceremony. The wedding gifts were very handsome and numerous. Mr. and Mrs. Millidge will occupy a new residence which is being built for Mr. Millidge in Cranston avenue.
