

intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseaser. Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Ffts, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

Joseph O'Brien was nominated fo Harbor Inspector. Ald. Kerr nominated O'Brien's reappointment because he had failed to carry out an agreement to pay \$200 to late Inspector Murray. Coun. Nannary said he should vote for the motion because he thought he was that he should receive \$100, and he bebut he thought he himself was entitled to five times the amount. The motion was carried.

Coun. Coxetter then moved and Ald Kerr seconded the motion that the East Side members each receive \$100 from the Contingent Fund. The Mayor stated he had taken advice on the subject and believed the Council had a right to vote themselves the money from the Contingent Fund and that he was justified in putting the motion.
