Persons therefore invite all decent women to "Would to God the Main Law could have withdraw.'—A pause took place without passed fifty years ago!" We turned to find a single female moving from her seat

HUMAN DESPONDENCY AND ITS CAUSE my first-born was laid in my arms by a drunken penalties annexed to it—would you know husband's hands, and its little life-blood ran them? Go to the park, or the esplanade, or This Excellency the Governor General has been pleased to grant Letters Patent of invention for a period of fourteen years from the dates thereof, to the following persons, viz:

"In a period of fourteen years from the dates thereof, to the following persons, viz:

"In a period of tourteen years from the dates thereof, to the following persons, viz:

"In a period of tourteen years from the dates thereof, to the following persons, viz:

"In a period of tourteen years from the dates thereof, to the following persons, viz:

"In a period of tourteen years from the dates thereof, to the following persons, viz:

"In a period of tourteen years from the dates thereof, to the following persons, viz:

"In a period of tourteen years from the dates thereof, to the following persons, viz:

"In a period of tourteen years from the dates thereof, to the following persons, viz:

"In a period of tourteen years from the dates thereof, to the following persons, viz:

"In a period of tourteen years from the dates thereof, to the following persons, viz:

"In a period of tourteen years from the dates thereof, to the following persons, in the sad, jaded, listless countenances—nay, in the very trifles which must be contrived to constitutional? I have one child living—in the very trifles which must be contrived to constitutional? I have one child living—in the very trifles which must be contrived to constitutional? I have one child living—in the very trifles which must be contrived to constitutional? I have one child living—in the very trifles which must be contrived to constitutional? I have one child living—in the very trifles which must be contrived to constitutional? I have one child living—in the very trifles which must be contrived to constitutional? I have one child living—in the very trifles which must be contrived to constitutional? I have one child living—in the very trifles which must be contrived to constitutional? I have one child living—in the very trifles which must be contrived to constitutional? I have one child living—i

sugar, and a teaspoonful of bi-carbonate of soda- It is then evaporated in a water-bath John Brown, of the city of Toronto, in the would have escaped the butterness of the source of York Machinist for "A new Oven rum been banished in their day.—Cayuga at a moderate temperature, being stirred and county of York Machinist for "A new Oven rum been banished in their day.—Cayuga at a moderate temperature, being stirred and agitated all the while, but so moderately as to avoid churning. In three hours it assumes

Keep in good humor. It is not great capetty vexation's the small jealousies, the little say Parliamentary, for if the Administration the heart heavy and the temper sour. Don't

cheerful. A light heart makes nimble hands, and keeps the mind free and alert. No Canada.

It might be said, that Judge Duval's evident leaning towards the prisoners was a part of his duty, the judge being ex-officio a kind of advocate for the accused. But unfortunately for this view, which we would rejoice conscientously to entertain, the same Judge's leanings were, it is generally reported, as obviously against the prisoner in a recent case, when that prisoner was a Protestant, accused

good humer!
