

BRUCE'S RECLEANED FARM SEEDS

The Seed Control Act of 1905, an Act respecting the inspection and sale of seeds, which took effect on the 1st of September last, makes it a criminal offence to sell or have in possession for sale, for the purpose of seeding in Canada, any seeds of Cereals, Grasses, Clover and Forage Plants, unless they are free from the seeds of certain noxious weeds, which are enumerated in the Act. The Act admits that absolute purity in respect to the seeds of the weeds named is not possible of attainment, and provides a minimum standard of purity under which seeds cannot be sold without the seller being held liable to the penalties imposed by the Act. Under the conditions named we have been scrupulously careful in selecting the best qualities obtainable, and with our excellent facilities for recleaning our seeds our patrons' interests will be carefully safeguarded. Our Clovers and Timothy Seeds will be sent out in sealed bags, and samples of the seeds we offer have been tested in the laboratory of the Seed Department at Ottawa.

We offer for immediate orders, as market fluctuates, subject to being unseed, prices here, as follows:

We make it a point to handle only the Best Land in the Best Wheat Country.

Improved farms at reasonable rates. Wild lands in the Saskatchewan Valley.

WHERE could you get more valuable reading 52 copies, with 40 pages each (2080 pages), in a year, and all for \$1.50. Do you realize it? THE FARMER'S ADVOCATE AND HOME MAGAZINE.

Building? Yes. Then it's a question of material.

Wood shingles you have found to be short-lived and disappointing. Prices have gone up, and you do not like to pay a big price unless you are sure of what you are getting.

We know what you want, and we have it.

This is an age of steel, and metal-covered buildings will be the buildings of the future. By their superior merits they have overcome prejudice, until to-day they are springing up all over the country, to the admiration and satisfaction of all.

Lightning proof, fire proof, weather proof, beautiful and durable. "A thing of beauty and a joy forever," or at least for twice as long as wood-covered buildings, and at much less cost.

Read What Others Say:

If I had another barn to roof and could get wood shingles for nothing, would prefer to use your Corrugated Sheets. Signed, FRANK NAGLE, Delaware, Ont.

I am very much pleased with the Metal Ceiling. It looks fine, and I thank you for the kind way you tried to please me. Signed, ROBERT WOOD, Onondaga, Ont.

I am much pleased with the Safe-Lock Shingles on my house. I consider that I have an A1 job, and have not the least hesitation in advising anyone wanting roofing to go to Preston, as you gave us a first-class article and used us well. Signed, THOMAS HAGGARD, Scotch Block, Ont.

Quality holds our trade, and our prices are as low as they will go. Write us for our catalogue, and let us quote you prices. What years have taught us is at your service.
