Write any one of the above for Free Catalog No. 40. Do it to-day.

KNOWN AND USED ALL OVER THE WORLD.

KOOTENAY FRUIT FARMS

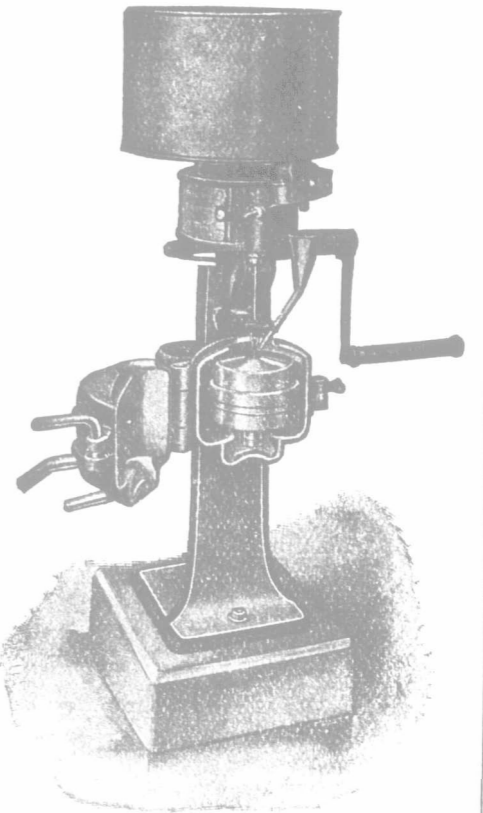

Are all combined in our 150 acre ranch situated on the Slocan River, immediately adjoining the townsite of Slocan City.
No frozen buds this year.
"Best soil in the Kootenay district."
No irrigation needed, but a mountain stream at the back could easily be used if wanted.
Even the Local Markets had to ship in fruit last year, so great was the demand.
Railway Station at Slocan City, within one mile. Steamboat connections with Revelstoke at the same point. Daily service both ways.
In ten or twenty acre blocks only. \$100.00 per acre.

FLORENCE PUMPS

These high-class Wooden Pumps are the best all-round pumps on the market. They stand hard usage, the winter frosts, and the summer's sun. The iron trimmings are especially made of a composition of tough metal, and very finely finished.
