Pure Buckwheat Flour

There is no artificial "essence" of Buckwheat thrown in while Tillson's Roller Process Buckwheat Flour is in process of milling—an essence deceives the buyer. The flavor you get in Tillson's Brand is Nature's own—strong, rich, **natural**. And it is a white flour, too.

It is made by the "roller process"—the modern way, from the best Buckwheat that grows. It is absolutely pure, but it costs **you** no more than inferior, weak, low-grade Buckwheat Flours.
