## BINDER TWINE

Eight Thousand  
 United Farmers

A SK the Grain Growers' Association and the Farmers throughout the country to realize that our Agents are all Farmers, and that this Company is putting forth herculean efforts to prevent the corral of all our Canadian manufacturing interests such as now exists in the United States. Don't use us as a whipping post. We assure you that our twines are going to people this season again at actual cost, while we have one of the finest mills in America. Every ball of our twine is guaranteed strictly in accordance with Dominion Government Standard. We are the only Binder Twine Company today in the Dominion fighting for the Farmer as against Monopolistic Capitalism. Write for an agency, samples and information. Don't be humbugged or deceived by this Company confused with any other.
