LOTION PERSIENNE

TRADE-MARK

Pour blanchir le teint, lui rendre ou conserver sa couleur de rose, faire disparaître les rougeurs, le masque et autres taches de la peau.

La LOTION PERSIENNE est une préparation sérieuse, unique en son genre. C'est un véritable REMÈDE pour la peau. Ce n'est pas une poudre blanche, délayée dans de l'eau ou de l'essence. La Lotion Persienne, au contraire, est une préparation médicamenteuse, transparente et limpide comme de l'eau.

Lorsque la peau est brunie par le soleil, la Lotion Persienne lui rend promptement sa fraîcheur et son teint rose, en ajoutant une cuillerée tous les matins à l'eau pour se laver.

La Lotion Persienne se vend dans toutes les bonnes pharmacies de la Province, en bouteilles de 50 cents. Méfiez-vous des contrefaçons.
