HAD A BAD COLD WITH PROLONGED COUGHING.
TRIED NEARLY EVERYTHING FINALLY DR. WOOD'S NORWAY PINE SYRUP CURED HIM.

Mr. Wallace H. Grange, Vancouver, B.C., writes: "During a cold spell here about the middle of last October (1913), I caught a cold which got worse despite all treatments I could obtain, until about November 22nd, a friend said, 'Why not try Dr. Wood's Norway Pine Syrup?' Really, I had no faith in it at the time as I had tried nearly every other remedy I had heard of, to no avail, but I thought I would give this last remedy a trial. I purchased a 50 cent bottle, and in three days I was feeling a different man. My cold was so hard, and the coughing so prolonged, that vomiting occurred after a hard spell of coughing. I carried the bottle in my pocket, and every time I was seized with a coughing spell I would take a small dose. I can most heartily recommend Dr. Wood's Norway Pine Syrup to anyone with a severe cold, as its powers are most marvelous, and I never intend being without it at all times."

When you ask for "Dr. Wood's" see that you get what you ask for. It is put up in a yellow wrapper; three pine trees the trade mark; the price, 25c and 50; manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
