It's as easy as renting a Ryder truck, one way.

Compare costs before you make plans for moving at the end of the semester.

If you're 18 or older and have a valid driver's license, you can use a Ryder truck. rent-it-here, leave-it-there. Load up your stereo, 10 speed, clothes; everything. You'll still have room, no doubt, for one or two friends with their things to share the cost.

Compare that to the price of a plane ticket. Or even a bus. Plus shipping.

Rent a newer truck from the best-maintained, most dependable fleet in the world-Ryder. The best truck money can rent.
