The Right Honourable
Mr. Arthur Meighen,
Parliament Buildings,
Ottawa, Ontario.

Dear Sir:-

Some little time ago you were kind enough to send me a few copies of your address on Shakespeare. Unfortunately I now find myself without a copy. Would it be asking too much to request a few additional copies as I would like to have one for myself and also a few other friends?

Thanking you in anticipation of this favour, I am -

Very truly yours,

J. Twomey.
