

payment of \$300⁰⁰.

It appears, however, that neither of the sums sent are strictly the amount to which Quinn is entitled for his five months salary; the Order in Council creating him a permanent officer of this Department being dated 14th July 81, and from that date his salary at \$60⁰⁰ per month will count.

The amount which was properly due to him for five months ended 30th September was as follows:-

For May and June -	\$100 ⁰⁰
12/31 in July @ \$50 ⁰⁰ -	50 ⁰⁰
14/31 " July " 60 ⁰⁰ -	34 ²³
August and September -	120 ⁰⁰
	<u>\$278²³</u>

The Cheque for \$300⁰⁰ has already been placed at Quinns credit.
