Mr. Moyer:

Your memorandum of the 20th, regarding dress for the Opening of Parliament, was brought before the Cabinet by the Prime Minister yesterday. I have been asked to let you know that it was agreed that dress be "Ladies - Afternoon Dress with Hats" and "Gentlemen - Service Dress or Morning Dress".

I am also informed that the hope was expressed we would never again relapse into evening dress.

J. W. Pickersgill  
Special Assistant  
to the Prime Minister.
