

BOILER INSPECTION

By-Laws

BY-LAW RESPECTING SMOKE NUISANCE.

No. 130, Adopted 7th May 1877.

Sec. 7.—Every proprietor or tenant of any engine, steam boiler, factory, cheminei worku or other workshop or establishment within the limits of said City, or using the same, shall, when notified to do so by the Inspector of Boilers, under instructions by him received from the Fire Committee, provide such apparatus as will consume the smoke and gas escaping therefrom, so as to effectually remove and abate any nuisance arising from the working of such establishment; and every such proprietor, owner, and tenant shall have the said apparatus approved of by the said inspector; and any person offending against any of the provisions prescribed in the present section, shall be liable to a penalty of one hundred dollars for the first offence, and in default of immediate payment of the said penalty and costs, to imprisonment not exceeding two calendar months, unless the fine and costs shall have been paid before the expiration of said delay, and to a further fine of fifty dollars per day for each and every day the said offender shall continue to carry on such establishment in violation of this section.

BY-LAW CONCERNING STEAM BOILERS.

No. 108, Adopted on the 7th May 1877.

INSPECTOR.

Sec. 1.—A competent and skillful person shall be appointed by the said Council, under the title of "INSPECTOR OF BOILERS", whose duty it shall be to make inspection of, examine and test steam boilers, in the City of Montréal, as hereinafter provided; but no person shall be appointed to such office, unless he is the holder of a certificate of "competency" as engineer of the First class, gran-
