FOOTBALL A TIE GAME.

The forward lines were weak, while the defense on both sides in good form and succeeded in keeping the ball out of the goals.

This is in short the history of the football game played yesterday afternoon between Kent Bridge and Chatham at Kent Bridge, the score of which was 0-0. The game, however, by no means warranted the score.

Goals should have been scored by both sides, as several opportunities were open for shooting, but the man with the ball was either successfully checked or the shots were wild. Twice the Chathamites put the ball through the Kent Bridge goal, but on both occasions it was fouled by Grant before it scored.

The game was very much one-sided. Chatham had undoubtedly the better of the game throughout, notwithstanding the fact that they were unable to score. The ball was continually hovering around the Kent Bridge goal, but an occasional rush was made on Chatham during the second half.

It was decided to play one hour, and Chatham won the toss and took advantage of the wind, which was blowing quite strong.

The game started off with a quick rush towards the Kent Bridge goal and it looked as if Chatham would score. Pettipiece, however, cleared nicely, only to have the ball returned with another rush, when Fraser, who was well up, shot, but the ball went wild. Shortly after this Kellington made a beautiful drop on goal, which looked like scoring and Grant eagerly helped it with his hand. A few minutes after this Anderson shot and this one was also fouled by Grant before it went through. Both fouls were disallowed. After a few minutes more of play Messer took a long shot which was cleared nicely by the goal.
