Winter weather is trying to the lungs; the cold winds are apt to induce coughs, and colds, inflammatory diseases. Wilson's Pulmonary Cherry Balsam cures these complaints by allaying the congestion which produces them. It is both safe and certain. Try it.

Dr. Wilson's Anti-bilious and Preserving Pills, used according to the directions, always do good, and leave no ill effects behind them. *They contain no mercury.*

With the stormy, cold weather comes rheumatism, lumbago, and pains in the bones. Dow's Sturgeon Oil Liniment has a wonderful control over these disorders, and all who have used it can testify.

R. P. Winter, of Fredericton, N. B., writes us that his daughter was cured of a long-standing cough (she had commenced spitting blood) and is now enjoying good health by the use of Wilson's Pulmonary Cherry Balsam.

S. B. Little, Cambridge, Queen's County, N. B., was completely cured of dyspepsia and liver complaint by using Dr. Wilson's Anti-bilious and Preserving Pills.

Thos. J. Paul, Portland, has spent hundreds of dollars for doctors' fees and medicines, and never found any relief from rheumatism till he used Dow's Sturgeon Oil Liniment. He can now walk without a cane or crutch.
