

WHY NOT LEARN HOW TO TEACH WHILE LEARNING WHAT TO TEACH ?

You can. You can have the expert help of a teacher of teachers, on every week's Sunday School lesson, in learning a fundamental teaching principle, illustrated and applied in teaching that very lesson.

This unique lesson help appears every week in The Sunday School Times exclusively. It is prepared by Prof. Charles Calvert Ellis, A.M., Ph.D., Vice-President and Professor of Education, Juniata College, Huntingdon, Pa.

It brings to the teacher, every week, a plainly stated fundamental principle of teaching—a law recognized and used by modern education at its best, and shows how to apply that principle in the lesson for that week. This is Teacher Training of the most practical sort.

You will find your Bible study and teaching made easier and more interesting as you follow and use the sound "learning and teaching" principles in this easily used form by one whose lifework is education—but education in the service of Him whom He rejoices to call Saviour and Lord.

Every issue of The Sunday School Times contains thirteen other unique helps on the International Improved Uniform Lessons, the finest series ever offered to the Sunday School world; graded for different ages, yet binding the entire home and school together in Bible study. But all this is in only one department of

The Sunday School Times

Thousands of readers take the paper for its Editorials and Open Letters, its masterly articles on Archaeology, Missions, Ways of Working, and its spiritual and Victorious Life messages.

Remember also that The Sunday School Times and its writers believe and teach the whole Bible as the inspired, infallible Word of God, and the shed blood of Jesus as the only, but sure way of salvation.
