IDEAL WOVEN FENCE
GIVES ABSOLUTE SATISFACTION

The practical man knows what makes a good reliable fence. The IDEAL is made of the best No. 9 steel wire throughout, with the famous Ideal lock that can't slip. No animal can go over or under it. We believe it is by long odds the best fence ever built.

We want to tell you all about it, how it is built and other things you ought to know about the fence you ought to buy.

This fence once built on your farm will end fence troubles for you. It will last a lifetime. It is made on a good, common-sense basis by men who know what the farmer needs.

If you want to know why all the leading railroads use the Ideal fence, write for our catalogue.
