

### Do Not Insure

Until you have seen the Double Maturity Policy of the Manufacturers' Life. Ordinary prudence suggests that you should carry some life insurance, if ever so little, and it is as well to know where the best is to be had, both for security and profit. Life insurance creates an immediate capital at a trifling outlay, which returns, as a rich and ample investment, to a man's family or himself at its period of maturity. You should find out about this Double Maturity we speak of.

**: NOTHING :  
SUCCEEDS LIKE SUCCESS!**

The fourteenth year just ended of the GRANGE WHOLESALE SUPPLY COMPANY (LTD.) has been the best the Company have ever had. Why? Because the farmers in general are co-operating together, and by so doing we are enabled to buy in larger quantities, and consequently get better prices. For instance, we have this day (June 16th) bought some five hundred one-pound butter moulds from the estate of Noble & Davidson, at a rate on the dollar, which we will sell you while they last at twenty-five cents each when shipped with other goods. This is the same kind of mould which we quote (see our catalogue) at fifty cents, and cannot in the regular way be bought for less.

Our Boots and Shoes are having great sale, and are giving the best of satisfaction. Our \$8, \$11 and especially our \$14 Single Harness are great values, while our Teas and General Goods are equalled by few and surpassed by none. For general prices, see our catalogue.

Note—Sugars have advanced 65c. per cwt. since it was issued.

We have a good leather team horse fly net with chest protector for 75c. each.

Freight paid on all orders of \$10 and upwards, according to advertised regulations. Co-operate with us, the only farmers' co-operative store in Canada.
