SHINGWAUK BIBLICAL CHART

DIVIDED INTO

SIXTY BLOCKS OF 100 YEARS EACH - :0:-

The enclosed is a specimen block representing the century commencing 1500 years B.C. The chart is to be printed on paper in six strips, each strip containing the events of a thousand years. These strips together with the heading will be rolled together and sent by mail to any one sending us an order for them; and when received, should be nearly pasted side by side on to a lar e board or sheet of card board, with the heading of the chart along the top, and then be hung up on the wall.

The chart when completed will be 34 by 39 inches in size. The events in the four first columns (B.C.) are collected entirely from Scripture, and the remaining columns contain the history of the Christian Church since the time of Christ.

Considerable labour has been incurred in the compilation and publishing of the chart and it will be sold for the benefit of the Shingwauk Home at 50 cents per copy, mailed. Perhaps some Sunday Schools will order one copy each to hang up in their School,

while others may require one for each class.

Address-REV. E. F. WILSON, Shingwauk Home, Sault Ste. Marie, Ont.
