

Going to The Toronto Fair?

If you visit the Exhibition this year don't forget to look us up.

Our booth is situated as formerly in the Manufacturers' Building, where we have a big display of the BORDEN lines.

This annual exhibit of ours is having a splendid educational effect upon the buying public and is boosting the BORDEN demand still more. So if you are a Borden dealer you will be keenly interested, and if you've never yet sold BORDEN'S, come and see us anyway.

We'll be at home to you any day you call.
