

BREAD is never better than the flour it is made of. Often it is not nearly so good, but that is the fault of the bread-maker. Without good flour, good bread is impossible, no matter how skilfully it is handled. Now, good bread must be good to eat, as well as good to see or to taste. Good-to-eat bread is bread that nourishes.

Royal Household Flour

is supreme. It represents the best that is in the wheat, ground to a snowy whiteness and purified by electricity. It produces bread that is light, easy to digest and best of all—nutritious. Ogilvie's Royal Household is to be had at all grocers. Ogilvie Flour Mills Co., Ltd. Montreal.

CURED HER BOY OF PNEUMONIA

Newmarket Mother is loud in her Praises of the Great Consumption Preventative

"My son Laurence was taken down with Pneumonia," says Mrs. A. O. Fisher, of Newmarket, Ont. "Two doctors attended him. He lay for three months almost like a dead child. His lungs became so swollen, his heart was pressed over to the right side. Altogether I think we paid \$140 to the doctors, and all the time he was getting worse. Then we commenced the Dr. Siccum treatment. The effect was wonderful. We saw a difference in two days. Our boy was soon strong and well. Here is a positive proof that Psychine will cure Pneumonia. But why wait till Pneumonia comes. It always starts with a Cold. Cure the Cold and the Cold will never develop into Pneumonia, nor the Pneumonia into Consumption. The one sure way to clear out Cold, root and branch, and to build up the body so that the Cold won't come back is to use

Nervousness and Nerve

The more nervous a man is, the less nerve he has. That sounds paradoxical—but it isn't; for the nerve is stamina. Hood's Sarsaparilla gives nerve. It tones the whole system, perfects digestion and assimilation, and is therefore the best medicine a nervous person can take. If you get tired easily, mentally or physically, take Hood's—it will do you good.

Committed For Trial

Geo. Banwell, the young clerk who stole \$40,000 from the Crown Bank, Toronto, and his young wife have been committed to stand their trial at Toronto. It was proved in police court proceedings that on the day they left Toronto, and the day of the robbery, Mrs. Banwell spent over \$5000 for diamond rings, and other little trinkets. In a letter written to his brother, after he left Toronto, young Banwell stated that he had only done what he had threatened to do. The letter was produced in court.

The Supreme Court

After you have tried hot springs, sulphur baths, patent medicines, electricity, etc., bring your case to the Supreme Court of rheumatism—Tuck's Rheumatic Bone Oil. This is a powerful, penetrating oil, which as its name implies, acts directly on the bone or joint—the lodging seat of rheumatism. If you are troubled with rheumatism, sciatica, lame back or kindred troubles and have not been able to get anything to help you don't get discouraged and make up your mind that nothing can cure you until you have tried Tuck's Rheumatic Bone Oil. It has cured hundreds of cases just as bad as yours. H. S. Brown of Merrickville, Ontario writes as follows:—

Dear Sirs—I am free from rheumatism today because I used Tuck's Bone Oil. I had rheumatism in my hands and feet and thought at one time that my life was going to be ruined by it. I consulted the doctor and tried various remedies, but while some I took internally made me feel better for a time none of them took the pain away. After I had suffered for six months or more, doctoring all the time, I was advised one day to try Tuck's Rheumatic Bone Oil. I did and I never can be thankful enough to the man who told me to get it. I had not used one bottle until I was better and before the second one was done my joints were loosened up, the pain was gone and I was well. Tuck's Bone Oil did it. That was six years ago and I have not been bothered since.

H. S. Brown, Merrickville.
For all inflammation arising not only from rheumatism but from colds, croup, bronchitis, quinsy &c., Tuck's Bone Oil is a sure and speedy cure. Sold by all medicine dealers at 50c a bottle or sent by mail prepaid by the Tuck Bone Oil Co. Limited Smith's Falls, Ontario.

In response to an invitation, the evangelists Torrey and Alexander agreed to come to Ottawa if a building capable of holding five thousand could be secured. The Ministerial Association are making great efforts to provide a building so that it is almost certain that Messrs. Torrey and Alexander will be in Ottawa for three weeks in June.

Local prohibition will not go into effect in the village of Maxville this year. On Feb. 5 a by-law was passed which prohibited the sale of liquor after May 1. A. J. Kennedy made application to quash the by-law on the ground of irregularities in advertising and polling. As the majority was a very small one Judge Osler made an order to quash the by-law.

Two boys went to market with 60 ducks. The largest boy took 30 of the largest ducks and sold them two for \$1. The smaller boy took the remaining 30 and sold them three for \$1. They received for the ducks \$25. When they got home they told their father they sold the ducks at the rate of 5 for \$2, and gave him \$24. Explain how it was possible for the boys to make the dollar by this transaction.

When the government was appointing a royal commission to fish in the big waters of the straight line insurance companies, it would have been a good idea to have given the commission power to drop a line in the little fraternal insurance pond. Those who have invested their cash in fraternal insurance are just as anxious to know that proper use is being made of the revenues as are the policyholders of the big line companies.

Lansdowne is a busy village just now. The Rural Telephone Co. have brought in carloads of poles in preparation of their lines. And the Bell Telephone Co. have butted in with poles, to be placed through the village to reach such customers as they may secure. Heretofore there has just been a central office at Lansdowne. But now it looks like a hot rivalry, which may induce everyone to become subscribers to one or both lines.—Gananogue Reporter
