Ayer's Pills

Are compounded with the view to general usefulness and adaptability. They are composed of the purest vegetable aperients. Their delicate sugar-coating, which readily dissolves in the stomach, preserves their full medicinal value and makes them easy to take, either by old or young. For constipation, dyspepsia, billousness, sick headache, and the common derangements of the Stomach, Liver, and Bowels; also to check colds and fevers, Ayer's Pills

Are the Best Unlike other cathartics, the effect of Ayer's Pills is to strengthen the excretory organs and restore to them their regular and natural action. Doctors everywhere prescribe them. In spite of immense competition, they have always maintained their popularity as a funity medicine, being in greater demand now than ever before. They are put up both in vials and boxes, and whether for home use or travel, Ayer's Pills are preferable to any other. Have you ever tried them?
